## Estimated 400 children attend third annual open house

National Children's Dental clinic during the above events! Health Month

Submitted by: Juanita Simpson,

The 3rd Annual Dental Open House was held on February 5th in honor of National Children's Dental Health Month. An estimated 400 children from ages three through seven attended this event.

Lots of smiles and fun were had by all! A puppet play, festive decorations, and five different dental topics were addressed, along with gifts given to the children who attended.

Our goal at the dental clinic during the open house is to orient children to our clinic, so that they will be more comfortable and relaxed when they come to visit. Our mission seemed to be accomplished, because the following day we placed sealants on thirty-three children, and the children were exceptionally easy to work with. Many of the children that we placed scalants on do need exams; please call us and make an appointment for your child if they received sealant placement.

Many thanks to the Warm Springs Elementary School and Headstart Program for providing supervision, transportation, and support to our dental

TIPS FOR BRIGHTER SMILES FOR CHILDREN

1. After each feeding, wipe the child's teeth and gums with a clean,damp washcloth or gauze pad, to remove plaque. Begin brushing your child's teeth as soon as the first tooth erupts (around six months). Continue cleaning and massaging gums in all other areas that remain toothless.

2. Never allow your child to fall asleep with a bottle of milk, formula, fruit juices, or sweetened liquid. CHILDRENSHOULDSTARTUSING A TIPPY CUP AT AROUND SIX MONTHS AND SHOULD BE WEANED FROM THE BOTTLE BY ONE YEAR OF AGE TO PREVENT BABY BOTTLE TOOTH DECAY. 3. If your child needs a comforter

between regular feedings, at night, or during naps, fill a bottle with cool water or give the child a clean pacifier recommended by your dentist or pediatrician. Never give a child a pacifier dipped in any sweet liquid. 4. Avoid filling a nursing bottle

with liquids such as sugar water, sweetened gelatin or soft drinks. 5. Make sure your child gets the

fluoride needed for decay resistant teeth. Ask your dentist about recommended methods for obtaining the proper amount of fluoride.

Schedule regular checkups beginning by the child's first birthday.

Dental Assistant, April Marcellais, demonstrates how sealants are put into childrens teeth.

### Thanks for all your generosity in time of need To the editor,

I would like to finally submit a thank you letter to a whole lot of people. Me and my daughter, Sherri Smith, both lost our homes to the Simnasho Fire. We are now moved into our new homes located at the same places. I would like to thank the fire and safety department for rescuing our animals from the fire and the Red Cross for taking care of them. The Red Cross also paid for our first months rent at the apartments and gave us some bedding, towels, beds and a dining set. I want to thank the Shaker Church and the Baptist Church for having the fire shower for us. All you members of both churches are well appreciated for all you done for us at those times.

I would like to thank Leroy Smith and George Clements for giving us cash when we were down and out. Also there were two other people who donated cash that did not want their names mentioned, but you know who you are. We love you guys very

much for helping us out in our time of need. We want to thank Glenda and all those who helped her out to have a fundraising pool tournament for Sherri, Louis Bagley and myself. We want to thank our fellow bowlers for raising money for us to get a new bowling ball, etc. We would like to thank our fellow workers here in Finance who collected money and gave it to us. There was a teacher from Madras who found out I lost my home and gave me a whole bunch of clothes at a yard sale. This was so nice. I want to thank Lori Fuentes, Nellie, Bill and J.B. at Credit for getting our homes paid for so we could move in on short notice. We want to thank Tom Strong and Vesta for getting the contractors to get things right and help speed them up.

We would like to thank PP&L Co. for making us a priority to get our electricity turned on. Thank you Mike. I would personally like to thank my family for standing by me at a

time like this. I never would have made it without you. Alfred and Roni were nice enough to put us up until we could get a place. I wanted to thank Miles King for putting up with me having to deal with all these things and to my staff for getting everything done when I was away from the office. We want to invite anyone up to see our new homes at 4310 Tommie Street and 4308 Tommie Street. Thanks to everyone who donated things to us to make everything a reality again. It is so neat to know that all our people stand by us in our time of need. God Bless you all.

Norma, Clint, Mitch Smith & Sherri Smith & Juanita Pacheco

### Learn boating skills-

A Boating Skills and Seamanship Course will be offered at Redmond High School beginning March 3, 1997. The course will be held Mondays beginning March 3 and continue through Moday, April 21 from 6:30 to 10:30 p.m.

The course is sponsored by the Coast Guard Auxilliary Flotilla 78. There is no registration fee but a text book costs \$22.50. A family discount will be provided.

To register, call 389-4737 or 447-5934.

Happy 7th birthday to Samantha Pennington, from your mom and the whole family.
