The Indian Warrior, The Veterans Corner
American Indian Veterans Advisory Council Meeting

The American Indian Veterans Advisory Council meeting was held on Friday, April 11, 1997, in the Vancouver Staff Conference room at the Vancouver Division. Chairing the meet was Terry Albertus, Native American Program Manager. The meeting got underway at 11 a.m. after the opening prayer by Steven Reuben of Kooskia, Idaho. There was a fair turn-out of Veterans from the northwest, for the quarterly meeting. Those present include David "Coyote" Mann, Sid Miller, Steven Reuben, Virgil Hockett, Jane Stilwell, Dan Arthur, Rudy Podhora, Dick French, DeBorah William's, Bud Haskins, Dan Foster, Paul Phett, Charlotte Herkshan, Enos Herkshan, Elton Greeley, Michael Bays and Susan Chauv. Approval of minutes, and introductions of all who were present. The old business, Dave Mann gave an up-date on the Sweat Lodge and everything is coming right along. Dave also gave a little

run down on the up coming retreat at Camp Chaparral this summer. The Spiritual gathering there will take place in August. Registration should be sent in early so they can plan a good encampment for all who will be attending. The registration fee is \$350.00 per person and should be sent in as soon as possible. After lunch the meeting convened with several issues of concern, one was the GI home loan program. In the past it was difficult for an Indian Veteran to obtain a home loan because he lived on Federal land and if there was a default with the loan the lender was unable to recover the loan. The Veterans Administration is taking applications for GI home loans and they will accept the responsibility for the loan. The deadline is coming near if there is anyone who is interested in obtaining a GI home loan. The Veterans outreach meeting that was held in Warm Springs on March 6, 1997, was discussed and

several favorable comments were made regarding the meeting and what an effect it had in the community with the good turnout of veterans. Hopefully there will be another one in the future. Correspondence will be sent out to all veterans regarding the next American Indian Veterans Advisory Council meeting.

Northwest Indian Veterans Association (NIVA)

The Northwest Indian Veterans Association (NIVA), a nonprofit organization serving as the Veterans Committee of the Affiliated Tribes of Northwest Indians by Resolution #89-32, was founded to serve the needs of the Northwest Indian Veteran Community. It was created to insure access to the Veterans Administration health care systems and all entitlement and benefits. It was also established to identify programs and agencies that can assist our Indian Veterans in improving their quality of life, economically, socially and health wise. Special efforts are underway to educate state and federal agencies on our unique cultural and spiritual needs. In addition, we have and are encouraging all Northwest Indian Tribes to create a Tribal Veterans Rep or Committee on their constitution and by-laws. This will make a standing committee that will have delegate and alternate delegate to

attend the annual and midyear conference of the Affiliated Tribes of the Northwest Indians. As of February 1991, of the 39 tribes we serve, 18 have tribal vet rep or committee. This will ensure that an effective means of communication is established on a local, regional and national level, as NIVA also participated in National Congress of American Indian (NCAI) Veterans Committee. As a result of planning and efforts of NIVA's Advisory Council to the Director Portland VAMC. We have established an outreach office in the Vancouver Division. The Siletz area office has provided a JTPA worker to assist in our start-up. This office will provide the latest information on all benefit programs of the Veterans Administration. A monthly mail out and quarterly newsletter is planned. NIVA has also been instrumental in developing an

N.W. Regional Inter-Agency Indian Veterans Council. These State and Federal Agencies have pledged to improve services to our Indian Communities. One of NIVA's priorities is to encourage our N. W. Tribal Governments to place a high priority on Veterans issues. Other priorities are to increase our membership and resources and develop active and working Veterans Committees on each Reservation and urban areas. These committees by accessing our NIVA outreach program will establish and effective communication network to serve their communities. Only in numbers can we ensure access to VA care and benefits for our Northwest Indian Veterans and Communities. If there are any Veterans who would like to join the Northwest Indian Veterans Association (NIVA), there are applications at the Spilyay Tymoo office.

David L. Andrews
To the W.S. Rez,
I would like to take this space to apologize to Dennis Dowty for the damage done to his face and teeth during my arrest. I had no knowledge he was an officer of the law because he was dressed in plain clothes and was not driving a marked police passenger car. I also would like to apologize to the community for my Reckless Endangering actions. I regret what I did, now I'm sitting time for what could have been prevented if my conscience would think wise and say no to 40's. Now I'm paying the consequences, did a crime, got fines, now I'm serving some time.
