Brian Suppah visits home after coming from Bosnia

Brian Suppah just recently returned to Warm Springs from Bosnia. Brian is in the Army and has one year left of duty. Suppah is a member of the Confederated Tribes of Warm Springs and is back home for a few days, before being sent to Ft. Hood Texas.

On a normal day in Bosnia Suppah would wake up eat breakfast and work on whatever project he was assigned to, whether it was building a road, landing pad or parking lot. They

worked from the morning until 5 p.m. or so. Brian is a heavy machine operator in the Army.

Suppah talked about the people in Bosnia, stating, "Most of the people were great and really very nice. During the time I was there we had no problems with the locals."

"Since joining the Army I have the opportunity to see a lot of places I would have never thought of going if I stayed at home. I have been to New York, Texas, Missouri, Hungary, Ireland, Germany, Bosnia, and Croatia. It has opened a lot of doors for me to travel and see new places. This has been an adventure and I think some of the people here would enjoy it. I would recommend the Army for someone who likes to travel," stated Suppah.

"In the Army I have learned values and that the reservation is small and there is more out there to see. I am thinking about re-enlisting for two more years," Suppah said.

From here, Suppah will go back to Texas and from there he will go to one of three places, Honduras, Panama or Zaire. "I would encourage people to enlist, to get away and see some of the world. It is great," concluded Suppah.

Millions assume management of Pelton Park

Don and Rixie Milliron at Pelton Park boat ramp

Don and Rixie Milliron have worked on the reservation since the winter of 1992. They both started at

Kah-Nee-Ta Resort; Don, as a security officer, and Rixie worked as a waitress in the Juniper room. Rixie

also worked for Buck and Susie Smith at the Deschutes Crossing Restaurant.

Don and Rixie have taken the opportunity of leasing the store, camp sites and RV park, boats and boat landing from PGE at Pelton Park. Beginning April 25, Don and Rixie will be opening the doors to their newly remodeled store and deli.

"We have quite alot to offer our guests," says Rixie. "We offer 80 camp sites at \$7 per day, and RV hookups that will rent for \$13.75 per night," says Rixie. "We also have our newly remodeled store, where we offer our guests all the basic needs during their stay," says Don. Things like bread, milk, eggs, cold drinks, lunch meats, fuel and much more. "In our new deli we will be offering hot breakfast, hamburgers, hot dogs, french fries, onion rings, and cold sandwiches," says Rixie.

"I'll be in charge of the boats and boat landing," says Don. "We have small fishing boats that will rent for

\$15 for the first two hours, pontoons, known as patio boats for \$30 for the first two hours or \$80 for the whole day." If you have your own boat, we offer boat moorage by the day, week, or by the month or the whole season. "Opening day for the Pelton Park is Friday, April 25, fishing season starts on Saturday April 26," reminds Don. "On June 14, we plan to have a Fathers Day fishing tournament," says Rixie. "We're also planning on having our grand opening sometime this summer."

"Don and I really enjoyed working with everyone at Kah-Nee-Ta and I enjoyed everyone at the Deschutes Crossing," says Rixie. "We want to invite everyone to come and enjoy the new Pelton Park Resort or just drop by for a visit."

For more information call (541) 475-0516. "We hope to have a very good season," conclude Don and Rixie.

He He Longhouse vandalized, police continue to investigate

He He Longhouse was discovered vandalized Monday, April 7, by Utilities employees after they checked the Simnasho Longhouse.

Fire & Safety's Danny Martinez was at He He Longhouse Sunday, April 6, in the morning and everything was okay. So the vandalism had taken place between Sunday morning and Monday morning.

Damaged at the He He Longhouse were 16 double paned windows, a 24 cubic foot freezer, and the lights. One window was broken from the outside to the inside. They entered and broke all other windows from inside to the outside with sugar dispensers. Blood was discovered inside the longhouse due to the broken glass.

Police have lifted fingerprints and are investigating the break-in and vandalism.

Estimated cost to repair the windows and freezer is \$3,000 to \$4,000. The lights have not been repaired yet, but will be repaired within a week.

Members of the Simnasho Longhouse were angry after hearing of the vandalism of the He He Longhouse. The Longhouse to the Indians on the Reservation is like the

church is in the city. The Longhouse is used for Sunday Worship, for

families to have Indian name givings, the yearly Huckleberry Feast, and

sometimes weddings and memorials are held at the Longhouse.

Damage to He He Longhouse was partially repaired. Windows are now boarded to protect them.
