Language Program Update

More stuff for your information.....

Congratulations!

The Culture and Heritage staff would like to congratulate all the graduates. We're proud of those that have accomplished this task from different types of schools, from headstart to college/vocational.

Lose your questionnaire? Here's another.

The Language Program is sending out a questionnaire for Tribal members. Please fill it out and send back to the program as soon as possible. Feel free to call with the information if you prefer. The Language Program appreciates every thing that community has to say (positive or negative), because it gives us more room for growth to become a better program for the community. For those that do not receive the questionnaire, we have included it here for you to have your input:

What other subjects would you like to learn in your language of choice?

Is there a better day, or time for you to take language classes? If yes, When?

Would you be willing to volunteer to help develop materials or native language curriculum?

Any other Suggestions/Comments?

You can return this back to the Language Program office, or Mail to: Language Program, PO Box 775, Warm Springs, Or 97761. Or call in with your information to 553-2200 or 2201
