

E Coosh EEWA: The way it is

SPILYAY SPEAKS

The month of June is a very busy month in several ways and all sorts of activities taking place. One of the big ones is the graduations of all seniors in high school and college or other vocational training schools where trades are learned.

Sometimes it's sad to be leaving a place that has so many precious memories like different school functions. All the clubs a person becomes active in. There are some good football players, some good basketball players and outstanding baseball and track men and softball for the girls. School activities are not

appreciated until long after the fact and you wish you could have it to do over again. A person remembers the Lettermen's club, the Pep Clubs for the girls, the business leaders clubs and all the other clubs that are active in school.

Yep! There are fond memories of the Prom night dance, and the first date, the first girl friend, "ahem!!" Maybe "Ole Pop" let you use the car one night. A person can remember his first automobile, how proud it is he was, even if it were an old clunker. There are times when it is difficult to say good bye to school friends, like that song goes, "I'll see you in September."

The high school seniors will start a new trend this time it will be in college where they are freshmen again, and for the next four years the whole cycle starts again, becoming active in class activities, only this time it will be in college. When a person finally comes to the end he or she should be ready to meet and deal with the cruel world. Unless a person goes after his masters and all that stuff.

Not all kids go directly to college, some goof up and get married. (Ooops!) Some choose to enter the military service for a spell before going to college or a trade school. Some make a career out of the service. There are some who are lucky to land a job with a good future and stick it out and work their way up the ladder to success, its a hard route but some make it. But the memories live on and on, and people reflect back to all those times they had in school. At that time I used to think it was tough, but now when I think back and see all the opportunities I let slip through my fingers. I think if I had it to do over again, things would be a little different. I remember how I used to put off studying until the last minute and cram the night before the exam. What a dope. I think now if I had only kept my work up things wouldn't have been so tough during final exam week.

Yep!! Those were the real, "Good Ole Day's." But I still think I would take a second look at the cute girls as they passed by. (Yun-Wi!!)

\*\*\*\*

Other things happen in the month of June like some people fall in love and get "Hitched." The June Bride, the honeymoon some where along the coast or a resort in the mountains in some secluded place. And when you meet your old friends you can say, "I'd like you to meet my "Old Lady," an expression used even though your old lady isn't that old. You can even take your old lady to the Rose Festival during the month of June.

\*\*\*\*

There are all kinds of Pow-Wow's all over the country and here in Warm Springs we have the Pi-Um-Sha, one of the largest Pow-wows in the Northwest at this time of the year. People come from far and near to enjoy themselves at the annual pow-wow. All the contest dancing that goes on. Even the visitors get a shot at winning a prize as each year they have the, "Honky Contest." Yep! they get right in there and let it all hang out.

Yep! Some see the month of June as a happy month while others have their own opinion of the whole thing. Ahh-Nah-Chi-Toon!!!

Toe Ness

A hartford man found that some robbers can be very polite. Walking home from work one night, he was approached by a bum, sir, could you kindly spare the price of a meal? I have no work, no decent clothes...I have nothing in the world except this knife and this gun! Yikes!!

SS SS SS

This guy was carrying a load of books into court. His client said, "I thought you carried all the law in your head?" "I do," replied the lawyer. "These books are for the judge." YIKES

SS SS SS

Thank you community members

To the editor,  
On behalf of the teachers and staff at Warm Springs Elementary I would like to thank those community members who donated to the "Teacher Scramble" which was held at the last awards assembly. The teachers and staff had a lot of fun and throughout the afternoon they were still asking each other what they got.

I would like to also take this time to apologize to those individuals who were offended when the word "hiway" was used. We didn't mean to upset anyone, it was an explanation to give an example on how we wanted to show our appreciation to our staff at WSE.

There were numerous gifts received and I am truly grateful to those parents/guardians who out of the kindness of their hearts support the "Teacher Appreciation Committee" which consist of Esther Kalama-Culpus, Leanna Blueback, Beulah

Calica, Pam Cardenas and Lois Smith.

I'm sure there is something in store for next year, and I know the Teacher Appreciation Committee welcomes anyone who would like to become involved.

At this time, I would like to welcome parents, guardians and community members to become involved at WSE this upcoming fall. There are numerous school activities during the year and anyone in the community is encouraged to volunteer for an activity.

Congratulations and THANKS go out to Barbara Poncho, Pam Cardenas, Snuffy Smith and Dan Brisbois Sr., who was honored at our last awards assembly for their participation at WSE. Everyone have a great summer!

Helena Jackson

Community Liaison

P.S. Thanks Kathleen for the "Board of Education"

Member shares news from Canada

To the editor,  
Hello Warm Springs. To all our relatives family & friends. Sharing some news...we are all doing good. Sophie Earl, Tribal Member is in the 4th grade. She got 13 A's and one B on her report card. She has been placing first at most of the Powwows we've been to in 97.

Shawnrae Gabriel, Tribal Member is a Freshman. He made honor roll with a B average. He played basketball for our school here. Postman and power forward. He led the team in scoring. He was honored at a tribal dinner here a couple days ago for academic and athletic ability. He also received a trophy for the Coach's Award. He is also doing well on the powwow trail.

We all miss Warm Springs, but we are learning so much about life. See ya on the trail! "Our fish glow up here too!"

Ivan, Margie, Shawnrae, & Sophie Gabriel

Son graduates Navy boot camp

To all my people,  
This is to let each and everyone know that Jason R. Williams had entered into the Navy in February of this year. He had graduated from Boot-camp on 04-25-97; from there he had transferred to Pensacola, Florida. Where he is taking Aviation and Fire-fighting training. He plans to return to Warm Springs on the 26th of June for his two week leave. From here he will be stationed at the Naval base up in the Seattle area for one year.

George E. Williams
