Sahaptin Language
Lessons

Will be postponed
until schedules
are worked out
between working
at the Kindergarten
classes at WSE
and Language Trailers.

Ask your kindergarten
child what they
learned in their native language.

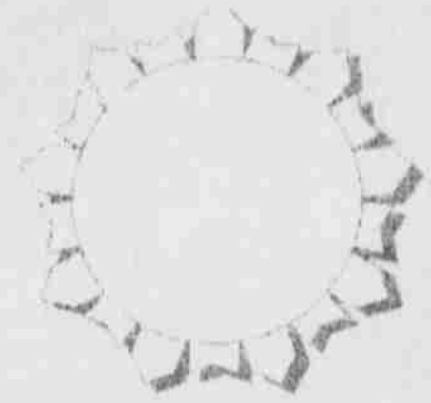

WE WANT YOU!!

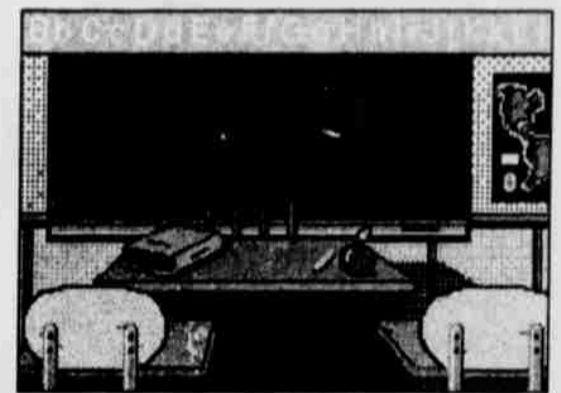

To take time to learn
your language this year...isn't
it about time YOU took a risk???

FYI: Rosie Johnson has been a great asset to
this department since her arrival. We
are about to lose her for greater goals, she
is going to be going to school in the Winter,
until then, she will go on part time status.
Drop by and see what she's done.
