### White Buffaloes Drop Homecoming Game

It was the day of excitement, the parades, the bon fire, the crowning of the Queen and the home coming football game, where everything was to be of excitement.

The Bowmen from Sherwood saw to it a little different as they came to town to play some football and spoil all the frills for the home town team. The Bowmen played some hard

football against a banged up Madras White Buffalo team. Many key players on the injured list in some way, with a sore ankle, back or other ailments that has slowed the Buffalo team considerably.

It was a tough played game on the Buff Grid Iron, in front of a packed grandstand and some standing room only. So close but yet so far away the victory slipped away from the Buffs at the point after touch down tries. Two kicks went to the wayside as the first kick went wide of the goal posts and the second one was blocked. The third try for the extra point the Buffaloes went for two to even the score, but the Sherwood defense tightened up to stop Brian Miller the ball carrier short of pay dirt.

The Bowmen played a smart game in the closing minutes using up as much of the clock as they could and finally time took its toll on the Buffalo's and they were unable to get anything going in the closing minutes of the game where the Sherwood Bowmen came away with a two point win over the crippled Buff team.

On the brighter side of things for the Buffs, Jerold Rico took the opening kick-off and skirted down the sideline for the first score of the night in the neighborhood of 94 or 96 yards to pay dirt to give the Madras White

Buffaloes a 6-0 lead. The kick went wide but the tempo started in the Buffs favor. The rest of the quarter went scoreless, but the Sherwood Bowmen were on the move piling up yardage on the ground and finally early in the second quarter the Bowmen scored on a one yard run, and the kick was good giving them the lead of 7-6. After some hard play both teams put up a good defense with hard popping pads the Sherwood running backs were able to score again. This time the kick failed but they had the lead 13-6.

The Buffs kept their determination going and they took the ball down field where Christensen went in for the score. The Kick was blocked which made the score 13-12 at the half time break.

During a time out in the game with the Sherwood Bowmen the team huddle to together waiting for a word from the coaching staff on the strategy for the game as they trail 18-20, they need to get the ball back and score, but time ran out on the Buffs as they lose a heartbreaker and the last game of the league. Identifiable are Keller Cristensen left, 21 Jerold Rico, 44 Jered Moses, 81 Kyle Wyatt.

Brian Miller seeing more action in this game since he was diagnosed with a heart condition, but has seen more action in punting and kicking for the Buffs. In the game Miller came out to complete some very good passes to spark the Buff offensive team. At one point he made a long run but it was called back on a penalty.

In the third quarter both teams scored their last TD's, as the Bowmen scored on a pass with the kick good to give them a 20-12 lead. The Buffs came back to score on a Miller to Johnson pass, but Millers bootleg run failed. The final score of 20-18.

With the season over the Buffs gained the No. 3 seed for state playoffs, as they travel to meet the Vale Vikings on Saturday at 1p.m. MST.

### Buffalo Basketball Season Just around the Corner

The 1997-98, basketball season is right around the bend and here in Madras the practice started Monday, Nov. 3, 1997, with the exception of the football players who still have a game in the state play-offs.

When the Football players complete their season than the full schedule of work outs will begin.

At the present time there are several boys who have turned out for the first practice sessions. There are several boys who have participated in basketball last season who are still out for the football team

The first outing for this years team will be December 1, 1997, at the Redmond Jamboree, for both the JV/V teams will be participating in. The next will be the Bob McKenzie Memorial Tourney held in the Buffalo Dome Dec. 5, 6, 1997. Teams for that tournament will include Astoria, Henley, Sisters and the Host White Buffalos.

The Buffalos will have a full Tri-Valley league schedule, for some top notch basketball games all season long. And hopefully in March they will be going to the state touney again.
