### Baby Vols win at Bonanza tournament

The 9-12 year old girls traveled to Bonanza, Oregon for an open tournament on April 10-11, 1998 and came away with the Championship. The other teams participating were: Bonanza, OR, Tulee Lake, CA and Ashland OR. They played five games and were 4-1. Their games and score were: Tulee Lake 13-WS 66; Ashland 45-WS 41; Bonanza 15-WS 42; Tulee Lake 24-WS 61; and they eventually ended up facing Ashland for the championship and

defeated them by the score of 36-31.

Coach Lily Suppah stated, "they played really well." They avenged their loss to Ashland from last years tournament. The girls that traveled to the tourney were Myrtle Suppah, Jaylyn Suppah, Raean Graybael, Turina Wallulatam, Pasha Smith, Jayleen Main. Congratulations gals and keep up the great work! A hearty thank you to Randy Shaw, the tournament director for an excellent job. The girls will receive championship T-shirts.

### Tips from the Pro

Joe "Da Pro"

It's almost summer but there is still a little chill in the air. Remember to warm up before taking the 1st tee. If you have the opportunity to hit balls before your round, start with your short irons at 20-30 percent power to establish a good rhythm and gradually work your way up to the driver. If you are late on the tee, chip and putt to get into a smooth swing. This will help create a more relaxed tempo when you start your game. According to most Hawaiians and Indians, we chip and putt alot before we tee off.

And don't forget, the Thursday evening league started April 9, and everyone is invited to come on out and enjoy.

Thursday's League results: The game was, "Play your best golf Low Gross and Low Net."

Gross Division: Louie Pitt and Willie Stacona fired a smooth 37 and tied for first place winning \$40 each in merchandise at the Pro Shop. Second place was two strokes behind with a 39 posted by Keiki Iokeapa Rauschenburg his putter was really cooking for \$20. Our third place finish was 42 posted by William "Hobo" Patt a familiar name on the leader board. He won back his entry.

In the Net Division an excellent round turn-in by Madeline Queahpama rattled all the boys with a 39 for her season opener and a clear first place with a 29 Net score for \$40. Great job Madeline! I think Les is still on the course because Madeline left all the guys behind. She was in the "Zone." Second place with a 30 was our one and only of only 11, Verna Conner. Bringing up a 31 for his ST win Bob Coshiano with \$20 to reinvest in lessons or more golf balls. Congratulations Bob. The fourth place honors went to Big Les Billy. Les has been improving in the past season and we expect to see more of him this year on the leader board.

April 16, Team Best Ball Format, first place team with a runaway score of 28 consisting of Verna "Too Many Strokes" Conner and Steve "Pin Placement" Krieger for \$40 each. Second place Les Billy and Corrine Billy with a close 29 for \$30 each. Third place finish was Shauna Queahpama and her partner Mike Collins with a 34. Fourth place was Lenny "Da League" Guccionie and John "Keoni" Didier. Congratulations to all the players and have a happy day.

### Lady Vols win White Swan tourney April 3-5

By Ronnie Suppah

The Warm Springs Lady Vols basketball team participated in the Springfest Basketball tournament held at White Swan, Washington on April 3-5, 1998. There were six teams which were: Yakama Hoop Masters, White Swan Cougars, Wapato Washington, Lacy, Washington, Lapwai Idaho and Warm Springs.

The Lapwai team won their class division state; and the White Swan team participated in the play offs.

The competition is great for the girls, and they can continue to grow and excel from participating in this caliber of games. The girls that traveled over were Taralee Suppah, Deece Suppah, Reina Estimo, Amy Suppah, Billie Suppah, Cece Polk, Blanche Mitchell and Shamona Charley.

They played and defeated the Yakama Hoop Masters, 59-33; then the Lapwai, Idaho team, 81-73; then

awaited the backdoor bracket winners. Lapwai defeated the Yakama Hoop Masters to advance to the championship game. Lapwai gave the Lady Vols a real tough go, but were a little tired which eventually paid off for us. The final score of the championship game was 64-60. The team has lost two of its starters, but the younger girls are stepping up and doing a great job. It'll take another tournament to tell, but, they're all in great shape.

The team won nice jackets for championship; had two all-stars, Deece Suppah and Reina Estimo, and the Most Valuable Player (MVP), Taralee Suppah. They all contributed to the effort and all deserve recognition. I did experiment around with the starting lineup each game and couldn't really see where I lost anything from one to the other. The team rotation and acceptance of one

another has been significant as compared to where they were. I appreciate the sportsmanship, the cool, and the team effort that these girls exercise at all of their games.

Once again, I'd like to thank all of the sponsors. Without you we couldn't afford to attend these games. Next up: The Baby Vols (10-12 year olds) will be heading for Bonanza, Oregon for a tournament on April 10-11, 1998; and the Lady Vols will be heading for Ft. Hall, Idaho on April 17-19, 1998.

I want to mention and thank, Charlie Minthorn and Joe Ball of Mission Oregon; and Patsy Tallman of White Swan, Washington for their hospitality and generosity of not only their homes but their food. It takes exceptional human beings such as these to help the visitors and especially the youth of our Indian Nations. May the creator bless you and answer your prayers.

### Grapplers earn medals at Central Oregon competition

Four Warm Springs eighth graders flexed their muscles March 18 at the Central Oregon Middle School Wrestling Championships in Bend. One young wrestler brought home the championship medal in his weight class while two others placed in their categories as well.

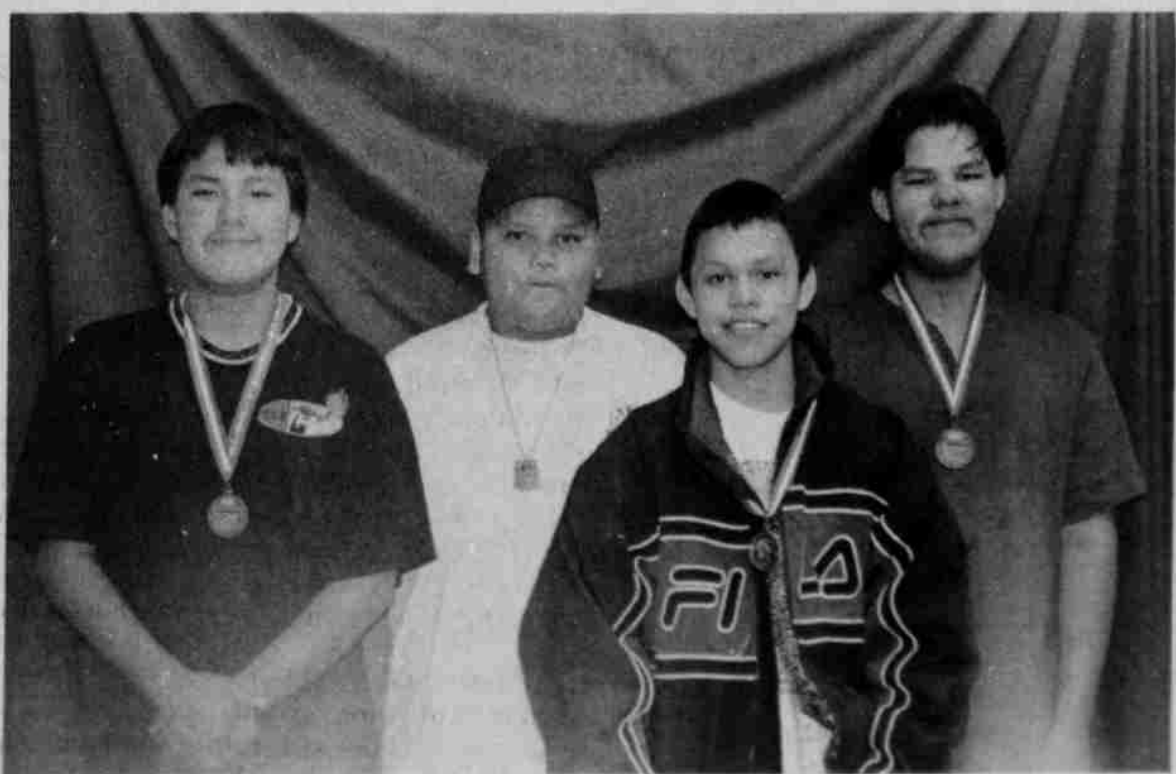

Taking the championship prize in the super heavyweight division was Lee Hellon. Lee's brother Lewis placed fourth in the 189-lb. division. The Hellon brothers are the sons of Leo and Vicki Hellon. Lee Hellon attained a 5-2 record for the season while Lewis achieved a 3-6 record.

Louis Smith, at 125 pounds, placed third in his division. Smith attained a 9-2 record for the season. His parents are Austin and Lois Smith.

Devery Arthur also competed at the district tournament but did not bring home a medal. He had a 3-6 record for the season. Ricky Arthur and Beverly Smith are Devery's parents.

Coaches for the team were Bob Frazier, Steve Cox and John McLaughlin.

What did the boys like best about wrestling? "Competition."

Eighth-grade grapplers from Warm Springs include, from left to right, Lee Hellon, Devery Arthur, Louis Smith and Lewis Hellon.
