Jefferson County All-Stars Take Third at State

The 9-10 Jefferson county all-stars lost to Parkrose on July 22 with a score of 18-12. This was the first loss for the youngsters as both teams were undefeated. Being down 10-4 in the early innings they managed to come back and take the lead 12-11 after five innings. Parkrose then took advantage of some pitching mistakes made by the little guys which cost them the game.

Jefferson County played Medford later that night and won 10-5 which

was good enough to place third in the tournament with a 2-2 record.

JC manager C.J. Brigham said "that there were a lot of teams that enjoyed playing the youngsters because they were such good sportsmen, and we were a classy team which meant more to him then winning the tournament."

Only one kid from Warm Springs competed on the team and his name was Jonny Smith.

Tips From The Pro

"DA PRO"

Now that summer is here, the heat has played an instrumental part of today's golf game. Fatigue and lack of fluids can alter your club head speed and cause a lack of concentration when making the turn. Be sure to take fluids with you when playing in this type weather. Also remember that fatigue may cause you to swing faster and harder than you think you are. So, take a little more time with your set-up and a little breathers between holes.

Madras High gym being remodeled

The Madras High School Gym is being remodeled and we will not get the chance as fans to watch the Madras Girls Volleyball team for around three to four weeks.

The first volleyball game scheduled at home is on October 5. They also are tearing out the old bleachers and putting new ones in that are motorized. The upper bleachers which have been there since they moved to the high school from the old one in 1960 are also being replaced.

They are taking out the raised area in the gym so that it will give the athletes another practice area as well as more seats for the fans.

The girls will have a month long road trip but when they get back the gym will look totally different and they should be pleased.
