

ITC to be held at Kahneeta in 1999

The Confederated Tribes of Warm Springs will be hosting the 1999 Inter-Tribal Council (ITC) at Kah-Neeta April 12-16, 1999. What is ITC all about? Approximately 72 different tribes are paid members of ITC and represent many areas throughout the United States. Ranging from Alaska, New York, Florida and California.

Tribal leaders, Natural Resource managers and Natural Resource staff members focus on what is good for water, land and air plus everything in between.

Discussion will revolve around what is the easy way and the hard way to get to the job(s) done to the satisfaction of the land owner.

The above paragraph is just a very brief portion on what ITC talks about.

The planning committee is requesting from the tribal members, the following:

- 1) Theme for symposium—the theme should be 10-15 words or less.
- 2) A logo will be for the registration packet and the final proceeding book—the logo will need to be in black and white, not more than 9 inches by 7 inches. Showing different natural resources images as you visualize them.

If you have any questions or comments, please feel free to call Theron Johnson at 553-2416 or Minnie Yahtin at 553-3257.

Many people to thank

To the Editor, I would like to thank so many people.

I'll start with Tribal Council for letting us stay at He He Labor Day weekend. People at utilities Rosa, Jimmy and Marrin (sic). My nephew Fred Wallulatum, Fred, Jr., Talon and my brother "Wow" Patrick Mitchell for drumming and presenting a fun evening for our friends. They really enjoyed that evening. Fran at Kah-Neeta for the great group rate. My brother Jameson and Virginia: my friends really enjoyed their many visits with you throughout the weekend. Jr. Mack: the family you spent the weekend with really enjoyed having you with them, they enjoyed your humor and getting to know you better.

We're sorry Wiggy you and your group didn't join us. My friends were looking forward to seeing your group and a "real" teepee set up at He He.

Gene and Maria Sampson: thanks for the use of your trampoline and beautiful view of Deschutes. The fish were sure jumping. Too bad we couldn't fish.

Dance group forming

Do you have any girls interested in powwow dancing ages between 4-14? We would like to try this to bring the little girls back into dancing and out of gangs/violence. Also just to have fun working with the younger generation and bring them together. As teenagers these days we have to be good role models. This would help. If you would like to help us, you are more than welcome. We are looking for a fairly large place to practice and rehearse without charge. We also would like to start as soon as August 5 or sooner if possible. Well, thanks for your time and all of that good stuff. If you have a vacancy, please call us at the Small Business Center (541)553-3592 and ask for Cece Herrera and/or Janell Tailfeathers.

Important notice Allergies? Asthma? Looking for 17 people to evaluate a new technology. No obligation. Call CR at 553-1034.

Thank you all for everything

To the editor,

Thank you. For the first time Warm Springs had a Women's Walking Team in the Annual Portland to Coast Relay August 28-29, 1998. The team name "Itkwaitisha Ayaiyatma" Walking Together, All the Women, consisted of Gwen Leonard, Tryna Muilenburg, Dena Thurby, Connie Blake, Nancy Seyler, Jolene Hintsala, Renee Silversmith-Wewa, Gladys Squiemphen, Melva Tanewasha, Patsy Lenek, Sonya Kenyon, and Donetta Ewack. Drivers: Nancy Saludo and Sherri Smith. Our total time: 31 hours, 22 minutes. We averaged a 14-minute mile. This was not just one person's team but all of us as a team. Everyone enjoyed themselves and throughout the relay, got caught up in the excitement from the beginning to the end as we all crossed the finish line with Sonya at Seaside!

A tremendous thank you to our

sponsor, tribal member Deni Leonard of DLA Financial, Inc. out of San Francisco. His symbol for his company is the earth with eagle feathers circling it. From that, the team name was created. Thank you Dallas Winishut for helping us come up with the team name. Andy Leonard also supported us with helpful hints and support. Tyrna's sister and husband were kind enough to have 11 of us stay at their home the night before the relay. To our alternates for standing by to be on the team for nearly the year. You are encouraged to participate next year to keep walking! But our families and friends were very supportive of us as we trained at various areas of the reservation. We thank them for letting us put one foot in front of the other as we walked out the front door nearly every day to walk.
