The Sisters Outlaws Top The Buffaloes With a Shut-Out

The Sisters Outlaws showed why they are rated the No. 1 team in the state coaches polls, by getting by the Madras White Buffaloes

28-0 in a second round state play-off football game.

Both Central Oregon teams are in leagues that centers in the Willamette valley. Sisters in the Capitol League and Madras in the Tri-Valley league. They must have brought some of that valley rein back with them because the rain never let up all through the game, just like a normal rainy day in the valley.

The entire game was spelled with a big "D," as the defensive units played a key part on the game for both teams. A outstanding defensive play by the Sisters Outlaws kept the Buffaloes bottled up most of the game. The Buffs were unable to penetrate into the Outlaw territory and they were stingy for giving up first downs to the Buffs.

A rain drenched game made the ball handling a little more difficult to handle for both teams. The wet conditions did have its effects on both teams throughout the game. The teams did more protecting the ball and not wanting to fumble to set any easy plays for their opponents.

That's just what the Buffs did as they made some bad mistakes and some bad mix-ups and setting up Sisters for some easy scores.

The score could have been a little closer but some bad breaks for the Buffs who fumbled the ball, and good breaks for the Outlaws who recovered the fumble on the 3 yard line and they were able to punch the ball in for six points and with the PAT good they were out front 7-0 at the end of the first half.

Sisters defense dug in and wouldn't let Madras have any

White Buffalo running back Keller Christensen found going a little tough in the game against the Sisters Outlaws, in the second round play-off game at Sistes. The rain drenched field had its toll on both teams in the passing department as the ball was very hard to handle. Sisters the No. 1, ranked team in the state polls went on the win the game 28-0, ending a fine season for the Buffs despite the loss.

movement on offense. It was almost like three downs and punt for the Buffs.

The Buff defensive unit did a much better job containing their big runs they had all year long. It was some costly errors that gave the game

away and setting them up in good field position.

Their running back David Martin did manage to grind our some yardage as he was able to pile up 140 yards during the game, some real tough yardage. The Sisters defense

"Zeroed," in on the Madras offense and shut down all movement the Buffs made. The No. 11 team in the state made it known they were for real in shutting down the Buff attack to gain a hard earned win despite the score of 28-0, they earned it.

District 7 Girls All-League Soccer team selection
