## White Buffaloes lose a close game to Molalla 56-55

In non-league action the Madras White Bufaloes traveled to the Valley to take on the Molalla Indians, on December 11, 1998. The Buffs jumped right out to a early lead out scoring the Indians 16-11 at the end of the first quarter.

There are the tough breaks and go d breaks in any game and it just happened to the Buffs where they went into foul trouble. This slowed down their scoring and also took the zip out of their offensive spark, however they did a great job in the first quarter.

In the second quarter both teams scored 14 points apiece. Molalla was 8 for 8 at the foul line and three field goals, while the Buffs were 4 of 7 at the charity stripe and they connected with five field goals to keep their pace and the lead. At the half time the Buffs were ahead 30-25.

In the third quarter the teams played pretty even in the scoring as the Buffs managed to get 18 points hitting five for five at the foul line and mora, jaca and Reeder each popped in a three pointer apiece while Molalla was six out of ten from the foul line and they picked up one three pointer as they were closing in on the Buffs... But the Buffs managed to stay out front of the Molalla Indians 48-42 at the end of the third quarter.

In the final quarter the Indians out scored the Buffs 14-7 as there seemed to be a lid on the Buff basket as many shots would not fall. The lid was so tight that with just a few seconds left in the game a cinch lay up went astray and the Indians hung on to the one point lead . The Buffs got the ball with just 4 seconds left and a drive by Mora the ball would not go through and the buzzer sounded ending a close game with Molalla 56, the Buffs 55.

The Madras White Buffalo but the Buffs had this game all Girls basketball team made it their fifth win in a row without a loss, on Tuesday night in the Buffalo Dome as they defeated the Mt. View Cougars of Bend by the score of 49-30.

Behind the Chargers of Deece Suppah, Reina Estimo, Heather Klos and Cece Polk the Buffs pounced on the Cougars right from the opening tip off of the game. There were some quick baskets by Suppah and Polk to put the Buffs in the drivers seat early in the game. Some good defensive play and hustle sparked the team in all respects. By the end of the first quarter the Buffalo gals were ahead 12-6.

In the second quarter there were a lot of missed by both teams. The Buff defense kept the Cougars from penetrating into the basket as there were a lot of steals. The Buff gals managed to score 9 points in the second quarter while the Cougars got 6 points and as intermission came the Buff gals were ahead 21-12. Melanie Smith ran into foul trouble early in the game but Blanch Mitchell came off the bench to do a good job in the front court position.

In the third quarter the Buffaloes poured on the pressure as they put a full court press against the Cougars to stimie them and create a lot of turn-overs.

The Buff girls with their quick hands were able to get a lot of steals from the full court press, and it was hard for the Cougar team to get near the basket. At times they were held back court for 10 seconds and to lose the ball. When the Cougars did get the ball down court they were able to score but that was very rare. At the end of the third quarter the Buffalo girls led 42-21

In the final quarter the Buffs let up on the Cougars and did away with the full court press. The Bench started to do some work as subs were sent in replacing the big guns on the Madras team. The Cougars were able to our score the Buffs in the final quarter 8-7,
