### Tips from the Pro

Joe "Da" Pro

Summer is finally here, so take off those long johns and enjoy the summer sunshine. On a recap for the last 3 months. We have had some great tournament play here at Kah-Nee-Ta Resort. For the opener of the season, we had the Springer Invitational start it all off this year. Moreover, as always the well known couples tournament the TP Chapman was a great success with the Holts dominating A flight division with a 2-day total of 145. Some of our local players also did well during the 2 day event. Kelly Wetchner and Carol Conner tied for 1st Net with a 128 while Keiki Rauschenburg and Verna Conner took 4th Net with a 139 in the B division. In the C division Jake Coochise and Janell Smith tied for first gross with a 185 and Les and

Madeline Spino took third net with a 137. Congratulations to all of our local players.

Elections of Officers were held this past spring with the presidency assigned to Butch David, Verna Conner as VP, Janell Smith as the secretary and Gary "Doc" Whittle as the OGA Director. We would like to thank our previous officers for the dedication and time they contributed to the Golf association in the past 2 years. Mr. Alley David as president, Mr. Benny Heath as VP and OGA Director, Carol Conner as secretary and Shanuna Quehapama as ladies OGA director. Mahalo to all our brothers & sisters.

As for the summer, 85 degrees and a slight breeze from the south. Come out and play golf.

### Pi-Ume-Sha Fun Run is on June 26

The Warm Springs Community Wellness Center - Recreation Department is cordially inviting you to participate in the 1999 Pi-ume-sha Fun Run held on June 26, 1999 at the Tribal Administration building. Registration will begin at 8 a.m. and all races will begin at 9 a.m.

### Relay for Life set for July 17-18 in Madras

A unique fundraiser-the American Cancer Society's Relay For Life-is coming to Madras in July. The fundraiser takes place from 10 in the morning on Saturday, July 17, until 10 the following morning.

Relay For Life participants organize in teams of 8 to 12 people, who take turns traveling around the quarter-mile track at Madras High School, relay-style for a full 24 hours.

Teams from businesses, churches, civic groups and families join the fun of the overnight campout, enjoying food, entertainment, games and the camaraderie that comes from supporting a good cause.

Each team member is asked to raise \$100 in sponsorship money to participate in the event, and those who raise money will earn prizes. Team members take turns

walking, running, dancing or skipping around the track throughout the day and night. This is an event for athletic and non-athletic individuals alike.

The funds are for the American Cancer Society, and will support education and patient services in Jefferson County, and cancer research elsewhere in Oregon.

On Saturday, all day long, to keep people busy and having fun, there will be activities like volleyball, a scavenger hunt, a tent decorating contest, lap poker early in the morning hours, live music, children's activities, the limbo and more.

As night falls, luminaries surrounding the track are lit to honor the brave survivors and loved ones we've lost in the battle. Relay For Life asks for a \$5 donation for each

luninary.

The American Cancer Society is reaching out to Jefferson County residents to join in the fight against the second-leading cause of death in the U.S.

Anyone wishing to participate may pick up a captain's packet at Willow Creek Books in downtown Madras or from the Warm Springs Health & Wellness Center, 1270 Kot-num Road( ask for Michele Gemelas).

The Jefferson County Relay For Life last year was a huge success! There were 11 teams with over 132 participants raising over \$18,000 and 144 luminaries purchased.

For more information, contact Jim and Michele Gemelas at (541) 475-4558.
