## Liana Tom to compete at the High School Rodeo Finals at Prineville Rodeo Grounds

Leana Tom to the head and Tom Green to the heels, as the team making a very fast time and was good enough to place in the team roping event.

Liana Tom, would like to invite everyone to watch her at the Oregon State High School Rodeo Finals, June 18-20, 1999 at the Prineville Rodeo Grounds.

Liana was a Freshman at Madras High School this past year but competed in High School Rodeo with the Central Oregon Club out of Redmond, OR. Rodeo and winning just seem to run in the Tom Family. Liana is the daughter of Lee & Cheryl Tom and the sister of Justin and Kristen Tom. She is the granddaughter of the late Elmer Tom and Jazzy Wewa, now doesn't that say something for where all her talent comes from.

In September at Liana's first high

school rodeo in Condon, discouragement and disappointment seemed to be the highlight of her weekend. Liana missed her calf and steer in the roping events, couldn't get her horse in the arena in the barrel racing and then proceeded to knock a barrel over, she fell on her goat and fared average on her pole run. However, we all choked it up to being a nervous rookie. There were three fall rodeos, Liana placed consistently in the team roping and break away events in the top 10 for points at the next rodeo in Roseburg and then at the last fall rodeo in Burns Liana decided to show that she does have some talent and leave the fall season winning the Team Roping with Tony

Green and the Breakaway events and her first Rookie award, which was a nice jacket.

As the Spring season rolled around Liana decided to concentrate on the two events she felt she is the best at and enjoyed the most "Team Roping and Breakaway Calf Roping". Liana felt pretty confident in the Team Roping as her partner Tony Green (the son of Tom & Susie Green and the Grandson of Jean Green from Madras), was leading the Team Roping and Calf Roping events in the State Standings. At the Eugene Rodeo, Liana and Tony placed 8th; at McMinville Liana placed 10th in the Breakaway; at Roseburg, Liana and Tony placed 4th in the Team

Roping; in Hermiston Liana placed 4th in the Breakaway and her and Tony placed 5th in the Team Roping and her second Rookie award. At her home town rodeo Liana placed 3rd in the Breakaway roping; At John Day Liana placed 2nd in the Breakaway, 2nd in the team roping and again won Rookie; After looking at the total points for Rookie of the Year Liana discovered that she was within 14 points, just doing the two events and decided to throw in Barrel Racing and Pole Bending at the last few

rodeos to see if she could pick up extra points. It worked at Klamath Falls she placed 6th in the Pole Bending, 6th in the Breakaway Roping and again won the Rookie award. Finally at the last Rodeo in Ontario she placed 7th in the Pole Bending and 2nd in the breakaway and one more rookie award. At the last four rodeos her Team Roping partner had a broken leg, but was able to rope at the last two rodeos. To wrap up the year Liana and Tony are going into the State Finals as the second place team. Liana is also

qualified in third place in the breakaway roping with the top three girls just a few points difference and is sitting in second place in Rookie standings with four points separating the top two.

Just being consistent and placing consistently has paid off for Liana. She is the only Rookie girl going to the State Finals in the Team Roping event. At the end of State Finals they will take the top four winners on to Nationals to be held in Gillette, Wyoming.

Leana Tom, a freshman in high school has been doing real well in the rodeo game, here she is in the Breakaway roping and is placing in the event and qualify for the state finals.
