Relay for Life set for July 17-18 in Madras

A unique fundraiser-the American Cancer Society's Relay For Life-is coming to Madras in July. The fundraiser takes place from 10 in the morning on Saturday, July 17, until 10 the following morning.

Relay For Life participants organize in teams of 8 to 12 people, who take turns traveling around the quarter-mile track at Madras High School, relay-style for a full 24 hours.

Teams from businesses, churches, civic groups and families join the fun of the overnight campout, enjoying food, entertainment, games and the camaraderie that comes from supporting a good cause.

Each team member is asked to raise \$100 in sponsorship money to participate in the event, and those who raise money will earn prizes. Team members take turns

walking, running, dancing or skipping around the track throughout the day and night. This is an event for athletic and non-athletic individuals alike.

The funds are for the American Cancer Society, and will support education and patient services in Jefferson County, and cancer research elsewhere in Oregon.

On Saturday, all day long, to keep people busy and having fun, there will be activities like volleyball, a scavenger hunt, a tent decorating contest, lap poker early in the morning hours, live music, children's activities, the limbo and more.

As night falls, luminaries surrounding the track are lit to honor the brave survivors and loved ones we've lost in the battle. Relay For Life asks for a \$5 donation for each

luminary. The American Cancer Society is reaching out to Jefferson County residents to join in the fight against the second-leading cause of death in the U.S.

Anyone wishing to participate may pick up a captain's packet at Willow Creek Books in downtown Madras or from the Warm Springs Health & Wellness Center, 1270 Kot-num Road(ask for Michele Gemelas).

The Jefferson County Relay For Life last year was a huge success! There were 11 teams with over 132 participants raising over \$18,000 and 144 luminaries purchased.

For more information, contact Jim and Michele Gemelas at (541) 475-4558.

Velma Graybeal Wins All-Around Championship Title

Velma shown here with her jackets and buckle she won

Velma Graybael, wins the top hand title at this years 1999, annual Pee-Wee rodeo, on June 19 and 20, at the Warm Springs rodeo arena. She also won the All-Around cow girl title and a buckle.

Velma participated in the barrel race, calf riding, goat dedecorating, the horseless calf roping and the pole bending.

In her efforts she won three of the five events she entered. She won the barrel race, the calf riding and the goat dedecorating. She was awarded a jacket for each event she won and in total of four jackets and a buckle.

The top hand champion is that she beat all the kids both boys and girls for that title. There were plenty of entries to give her competition but she managed to come out the winner.

Nine years old Velma said she has been redoing for four (4) years now and got started in rodeo because she likes the sport and gets a whole lot of support from her parents who is Ricky Graybael and Sherrie Olney. They are very proud of Velma's accomplishments and hope she continues to do good in redoing in the future.
