The Recreational Invitational Youth Track Meet was held on July 27, 1999 at the Madras High School Track.

The meet was hosted by the Warm Springs CWC-REC staff. There was no cost for participants to compete in the track meet. There was three age groups starting with the 2-5 years, 6-9 years, and the 10-13 year old.

There were ribbons given to the kids that finished 1st through 3rd. T-shirts were also given to all those that participated. The ribbons were handed out at the end of the track meet to the winners in each of the divisions.

The kids got a chance to show of their skills in four different events. They included the softball throw, 100 meter dash, long jump, and the standing broad jump. The 2-5 year old got to run the 50 meter dash instead of the 100 meter dash. Some chose to run both. One little girl ran the 50 meter dash and then continued on around the whole track.

More information and results will be printed in the next issue. The track meet was too close to press time. You can get results from the Warm Springs recreation staff. If you have any questions call recreation at 553-3243.
