The Jefferson County Senior Little League all-stars have made their way through the District, State and Divisional games winning both District and State and coming up just one game shy of winning the Divisional tournament.

The Senior boys played 3 games in the District tournament and won all three to clinch a place at the State tournament. In game one against Bend North Travis Moschetti pitched a two hitter with 13 strikeouts and only 2 walks. Jeff. Co. won the game 3-2. In game 2 Jared Adams took the mound against Bend South and pitched a one hitter with 13 strikeouts. The senior boys cruised to victory in this one winning 19-1. In the championship game Jefferson County took on Bend South again and won with a score of 8-1. Jeff Barnes pitched the first 4 innings throwing a one hitter. Colter Barnes hurled the last three innings and allowed four hits. This win sent the Jefferson Co. all-stars to the State tournament that was held in Portland at Busy Kids Field.

In the first game at State J.C. faced Medford and pulled out the victory with a score of 3-1. Daniel Sosa singled in the first inning to score a run and later in the third inning hit a solo home run to lead the team. In game two Jefferson County played Keizer with the winner moving on to the championship round. J.C. fell behind early trailing 3-0 in the first

four innings. Then, in the fifth they tied the score at 4-4. In the seventh inning Jeff. Co. had the bases loaded with one out when Colter Barnes hit a single up the middle to drive in the winning score. Jared Adams threw a complete game, striking out ten and walking only three. In the championship game Jefferson County played Keizer for the second time and won with a score of 8-3. J.C. jumped out with a 5-0 lead after three innings. In the bottom of the third Keizer tallied up three runs and thought they had J.C. rattled. In the fourth inning Colter Barnes hit a line drive over the right field fence to put Jefferson County on top for good. Jeff Barnes was credited by his coaches for throwing a great game. By winning State Jefferson County got to represent Oregon in the six-team Regional Tournament.

In game one at Divisional Jefferson County got two key hits from an unlikely source. Mike Meeves doubled and homered in Jefferson Counties 7-3 victory against Montana. This win put them up against Hawaii, who got a first round bye in the six team tournament.

Against Hawaii the state champs could only muster up one hit and loss 4-0. Hawaii advanced to the championship round and J.C. now has to play in a loser-out game against Idaho. In the Idaho game J.C. barely squeaked out a victory with a score of 4-3. Daniel Sosa had a game

winning bunt to score Travis Moschetti. This win moved them into a game against Washington. Against Washington Jefferson County cruised to victory with a score of 7-2. Jacoby Ellsbury hit a two run homer in the fifth inning to make the score 4-2. In the sixth inning pinch hitter Louis Smith hit a run-scoring single. This win put Jefferson County up against Alaska with the winner playing Hawaii. In the Alaska game J.C. used a late rally to advance into the championship game with a 4-3 win. Travis Moschetti led the team with three singles in the Alaska game. This win put the all-stars against the undefeated team from Hawaii. Against Hawaii J.C. started out the game with a 1-0 score in the second inning with a run scoring single by Charles Stwyer. Then in the fourth inning Hawaii first baseman Paul Collins hit a monster shot over the fence in dead center to give them the lead that they wouldn't let go of. Jefferson County had become known as the "comeback kids" because of all the comebacks for wins in the tourney. Coach Brent Moschetti said he felt good about how his kids played and that he felt they had reached all the goals he told kids he felt they could achieve in this years tournaments. Brent and all the other coaches wanted to thank all the fans and parents that went to watch all the games they played.
