Brush up on your language skills at our computer lab...it's quite lonely when nobody's here. It would give you a good headstart on learning the basic sounds. If kids can do it...you can too.

Parents!

Would you like to have your child enrolled in an after-school computer language learning session (3:45-5:00)?

Call me if you interested at 553-3290/3393. I can only take groups of 6 (six) at time!
