## The Indian Warrior-The Veterans Corner-Information/Tips For Vets

The design of this logo was created to represent the contributions of American Indian Veterans (the eagle feathers), American of Japanese Ancestry veterans (the Japanese character meaning "to overcome"), and Native Hawaiian veterans (the hibiscus flower). The fire burning below a representation of the map of Vietnam reflects the trauma that many of these veterans experienced and the healing they seek.

### Veterans Services

Veterans have earned certain benefits as a result of their military service. Survivors and dependents of veterans may also have benefits available. However, these benefits are available only to those who apply for them.

The Jefferson County Veterans Service Office (JCISO) is committed to serving Jefferson County veterans, their dependents and survivors. As part of this service, JCISO will be doing outreach to Warm Springs on Wednesday afternoons from 1 pm to 4 pm, in the Senior Center.

Veterans Service Officer will be available to answer questions and schedule appointments. Beginning March 1st, assistance will be provided by appointment only and appointments should be made well in advance. To schedule an appointment call (541) 475-5228. The Madras office is open on Tuesdays from 9 am to 3 pm. If you call when the office is closed, leave your name and telephone number on the answering machine, it is checked daily and calls will be returned as soon as possible.

## Warm Springs Housing Authority update

The Warm Springs Housing Department would like to provide the following information as an update to local activities and progress.

**New staff:**  
In December 1999, Carol Craig transferred from the Tribal Resident Specialist (RSS) to the newly established Collections Officer. Melissa "Missy" Scott has been hired to fill the Tribal RSS position and is scheduled to start January 24, 2000.

**Tribal 1999 Accomplishments:**  
Thirty rental units remodeled and then were rented out. Three "quads" on Deer Loop painted. The access roads to the Sinnasho Sr. Units have been reconstructed to improve access.

**HUD 1999 Accomplishments:**  
Twenty-three rental units remodeled and then were rented out. The 20 Sr. Citizens units were painted and the roofing was replaced. C.R. Begay was hired as the HUD RSS. The HUD "Demo Project" with the Tribal Credit program selected ten tribal members to receive a \$10,000 grant that was used as a down payment for their own home.

**Mutual Help 1999 Accomplishments:**

The Tribal Construction Department started construction on four new homes in the Greeley Heights area. In December site work was started for the next six houses in Greeley Heights. Two homebuyers complete the Mutual Help program by completing their financial obligations and conveyance of the homes is pending. Two mutual homes remodeled and new homebuyers selected.

**Senior Citizen Home Repair Program:**  
Thirty-seven Tribal member seniors who own their homes received assistance from the program with home repair (plumbing, roofing, wood stoves, handicap ramps, windows and minor repairs). Lee Tom was hired to coordinate this program and the BIA Home Improvement Program.

**Collections Officer:**  
Carol Craig has been hired to help alleviate our tenants accounts received problem (back/delinquent rent). We have a large number of accounts that were left owing the Tribe rent money. Tribal members, non-members and Non-Indians currently owe the Housing Department in ex-

cess of \$500,000. These accounts vary in age as some date back to the 1970s and continue to grow as the Housing Department has enforced the collections on rent. Some of these accounts are in probate and procedures will need to be followed. The Housing Department under the current tribal code is authorized to pursue collections through Tribal Court.

Housing Department has had an initial meeting with the Tribal Prosecutor regarding collections, jurisdiction over non-members and other issues.

**2000 Indian Housing Plan:**  
The Housing staff is currently working on the draft of the 2000 Housing Plan. Once the draft has been completed a public posting will be done to receive comments from the membership. Once comments have been received and considered, a final plan will be submitted to the Tribal Council for their approval. As soon as we receive approval from the local Housing Authority and concurrence from the Tribal Council the plan can be submitted to HUD office of Native American Programs for their approval. As soon as HUD approves our plan we will be allowed

access to our block grant funding. The Housing Department hopes to get on Tribal Council agenda in mid February.

**Year 2000:**  
Our department has endured financial hardships and not until 1999 have we had a glimpse of the light at the end of the tunnel. Our staff will continue to repair and remodel units and get them filled as soon as possible. We have hope to complete the painting project started on Elk Loop, Deer Loop. The Housing Department continues to operate as a "break even" entity. We spent approximately \$100,000 on rental renovations, carpet, windows and appliances in 1999. A second "Demo" project for 10 prospective Homebuyers was announced and the Credit Department will make selections soon. We have high hopes as to improving our service but change comes slow and often only after clearing many hurdles. The Housing Department would like to thank those tenants that strive to stay current and those tenants who notify us of problems or situations that can be detrimental to the safety of their family.

## Korean War Memorial Dedicated

The long-awaited dream of the Iron Triangle Chapter of the Oregon Korean War Veterans Association became a reality on July 16th with the dedication of the group's memorial to those who served and sacrificed during the Korean War. The dedication of the black polished granite memorial was attended by more than 150 veterans of various wars, family members and friends.

The memorial is located on the park-like grounds adjacent to the Oregon veterans Building which houses the Oregon Department of Veterans Affairs. The Department is located at 700 Summer Street, NE, Salem, Oregon.

Salem Mayor Mike Swaim and Keizer Mayor Bob Newton welcomed dedication attendees. Representing the Oregon Army National Guard at the event was Colonel Douglas Pitt. Also in attendance was Wally Carson, Chief Justice of the Oregon Supreme Court. ODVA Director Jon MAngis provided the keynote address.

A US Marine Corps Guard provided appropriate honors for the ceremony. Also participating in the event were members of the junior Reserve Officers Training Program From North Samel High School.

The Memorial was dedicated in part to two recently deceased members of the Iron Triangle Chapter, Lt. Col. Stanley Adams, a Medal of Honor recipient, and Dewey Rand.

The Ceremony marked the completion of a project begun four years ago. The \$26, 000 memorial project has been financed with private donations of labor, materials and funds. Lowen Construction Company of Salem contributed the architectural design work. The 1249th Engineer Battalion of the Oregon Army National Guard provided the site preparation and concrete work.

Walling Sand and Gravel contributed the concrete and assisted in the foundation and walkway construction.

Iron Triangle Chapter president Ron Stevens praised the work of Memorial Committee members Bob Osterlund, Glen Jones, Arvin Hancock, and Dave Crockett. "I'm very proud of them, they did a great job and the result of their dedication is this beautiful memorial," said Stevens. "We wanted to get this memorial built before all of us were gone, and thanks to the Committee's work, we have reached that goal."

Approximately \$6,000 is still needed to pay bills associated with the construction of the memorial. Those interested in making donations to the group may contact Louie DeMarco at (503) 390-0723. DeMarco's Address is 788 Chehalis Place N., Keizer, Oregon 97303.

The Iron Triangle Chapter has more than 100 members. Those interested in learning more about the organization may contact Ron Stevens at (503) 363-4137. Stevens' address is 370 Church St. SE, Apt. 6-B, Salem, Oregon 97301.
