Love is stronger than any
emotion for it has no visible bound-
aries My love is but a spring
fountain that flows like the wind in a
breeze My love can't be measured
by time nor space, nor depth for it is
to day My love is also a hiding place
A place two lovers can sleep.
You could find my love, if you
use your heart. A place where love
will never decay A place two souls
will never be apart
deep within this man's heart.

To My Nephews Alie & Wrieha,
Happy Valentines Day!
