Smith is Exerciser of the Month

Happy Birthday goes out to Iris from all her family and friends

The Senior Exerciser of the Month for March goes to 68 year old Iris Smith.

Iris has been exercising on a consistent basis for about eleven years. She is currently participating in aerobics, the weight room, walking, water aerobics and the stair stepper. Iris also goes out and digs roots for exercise. Iris spends about three times a week doing working out, for about an hour each day.

When asked "what motivated Iris to take up exercise", she replied: "Kathleen Moses asked me why I never exercised and I told her I had no time. She told me to make time so I told her I would try. She said no trying get there. Between her and Eva Monte I had no choice but to keep it up. That was in 1989. I'm also a Diabetic and exercise keeps my

sugar level down." She also said that supportive pushy friends who keep on her and a good time to socialize with friends are reasons why she likes exercising.

When asked, "what were some of the stumbling blocks she encountered when she worked out", she said: "wanting to do other things like being with my sister who is ill.

Iris has many goals, and they are to never go on dialyses, keep sugar level down, and to continue exercising regularly.

Encouraging words from Iris are as follows: "Everyone-regardless of your age or health, everyone should exercise- There is no excuse, everyone should do it.

Without you we couldn't of had a good turnout. Thank you to parents, grandparents, aunts, uncles, sisters, brothers, for coming and supporting our youth.

Letter from Tourney Director explains why to have tourney

Welcome to the Chief Spirits 13 & Under Youth Tournament!

I would like to take the time to explain why we put this tournament on for the children.

On our reservation there isn't really a whole lot of recreation for our youth to do on weekends, and a lot of them have turned to gangs, alcohol, drugs, and other illegal activities.

In the past, there was tournaments that we went to as kids, and we went to have a good time, meet new people, and of course to play ball because mainly... we loved to play.

Today, you have tournaments that require hundreds of dollars, you have coaches picking up power players from out of town and shutting out the home town players, there is bad attitudes on the court, some players are only playing to get an all-star. It has changed throughout the years and it has really got out of hand.

The reason to have our tournament was to let kids come to the gym, get on a team, and just have a good time playing ball. No matter if you were a good player or not. It is an opportunity to get the kids that don't get any or much playing time to get on the court

and play ball.

So this is to you coaches, please teach your kids that winning isn't everything, but getting to play ball is. And if you are beating a team by a lot of points, please take into consideration the other teams feelings and let your starters take a breather. (Remember this was meant to be a novice tournament.) All we ask is that everyone have a good time playing ball and meeting new friends.

We thank you much for your cooperation.
