## Central Oregon Boys and Girls club has found it's way into Warm Springs

The Boys and Girls staff Rebecca Soliz, Carol Allison, Laura Sahme, and Frank Smith.

If you haven't noticed it already, the Central Oregon Boys and Girls club has made its presence felt here in Warm Springs. They started a few weeks ago when some of their staff began to clean up around the Community Wellness Center.

In one of these pamphlets it states: "Our club operates on a year round basis. By providing programs after school, on weekends, during summer and school vacation periods, we build the trust of our youth, enabling them to depend on the Club and Club activities. A wide range of adult-supervised activities and services are offered, and all for a minimal \$10 annual fee. If for some reason the youth or his or her family can't provide the annual fee, it can be earned through a variety of duties within the Club itself. What's

more, even if that alternative is not possible, no youngster is ever turned away for failing to meet the \$10 membership fee".

This club offers a wide variety of activities, core programs, targeted outreach, a power hour, and a torch club.

Their Mission Statement: To inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible, and earning citizens.

This is a good addition to our community and I encourage all parents to go down and sign your kids up. The club is always looking for more kids. This club will help kids realize their dreams and help them establish goals for themselves.

here are some kids playing ping pong

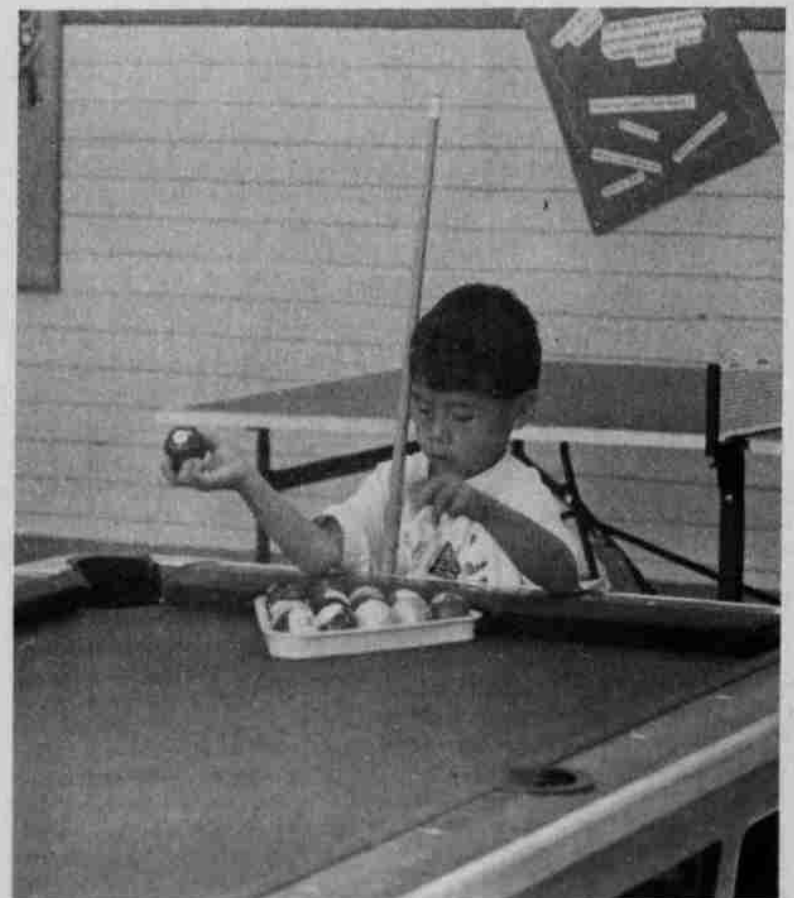

Here are some of the girls in the club just hanging out with each other

Lady shown above signing up her kid, while other kids wait in line to sign in

Here's what most of the kids do while at he boys and girls club, enjoy a good game of pool
