

Graduating Seniors of 2000 seeking support for trip to Southern Cal

Here a some of the seniors that are raising money to go on a trip to southern California

To Whom It May Concern:
Native 2000 is a group of Native American seniors who are on-track for graduation in the year 2000. We are planning a senior trip to southern California following graduation ceremonies June 3, 2000.

This will be the first ever trip for Native American seniors and it will be used as an incentive for future Native American seniors.

The number of Native American graduates on-track for graduation in the year 2000 is the highest percentage in many years. The Native 2000 group takes much pride in this fact and we think that our class will set a great precedence for future classes.

There approximately 43 potential Native American students currently on-track to graduate year. Total expenses (i.e. travel, lodging, admissions, etc.) equal approximately \$540 per person.

We are doing fund-raisers at least twice a week, but due to the lack of time to plan for such a trip, we are seeking sponsors to help pay for extra expenses. We would appreciate any type of help you/your business/department could help us with.

Our goal is to raise enough money to support all Native American students who wish to go on the trip.

Thank you for your time and support.

Sincerely,
Reina L. Estimo, President
Renso Rodriguez, Vice-President

Heard Museum displays local students artwork

Eighth grade students, Lonnie Caldera and Maurica Cortez have their artwork pieces displayed at the Heard Museum in Phoenix, Arizona in the student Arts & Crafts show. Both attend the Jefferson County Middle School in Madras.

These students had a seriousness about art that their art teacher entered their pieces at the Heard Museum display in March and April, 2000. They also received encouragement by The Museum at Warm Springs, where thier art was displayed in the student art show. Lonnie's picture was a linoleum block print and Maurica's was a tempera painting. They received a certificate from the Heard Museum for displaying their work.

You may see their art pieces at the Collage of Culture May 20, 2000.
