

## Annual Collage of Culture attracts community members local and surrounding

High Desert Dance performed several dance numbers for the audience.

The Annual Collage of Culture brought families for a fun day of entertainment, art displays and good food. Children played in the fun activities featured. Cultural dances were performed throughout the day and Brad Paisley packed them all in during his evening performance.

### COCIB meetings to be held in June

The Central Oregon Community Investment Board (COCIB) will be conducting several public meetings in May and June relating to the review and selection of projects submitted for funding through its economic and community development grant programs.

The COCIB Executive Committee will meet May 25, 2000 at 3 p.m. to select projects which will give presentations to the COCIB Board. The full COCIB Board will meet June 1, 2000 p.m. to hear the project presentations. The COCIB Executive Committee will meet again on June 6 at 1:30 p.m. to make a recommendation to the COCIB Board regarding project funding levels. And the COCIB Board will meet June 8, 2000 at 3 p.m. to make funding decisions for grant awards. The COCIB Ex-

ecutive Committee meetings will be held at COCIB's Redmond office (2363 SW Glacier Pl) while the full COCIB Board will meet at the Redmond Library (827 SW Deschutes Ave).

Typically the COCIB Board meets the first Thursday of each month. The public is welcome to attend any of the COCIB meetings. The Central Oregon Community Investment Board was created by Crook, Deschutes and Jefferson County for the purpose of administering the state lottery-funded Regional Investment and Rural Investment grant programs.

Questions concerning the meeting or the Central Oregon Community Investment Board should be directed to Karena Houser, COIC, (541) 548-9539.

### Reception to be held June 11

This year The Museum At Warm Springs is presenting "Artist In 2000", the 7th Annual Tribal Member Art Exhibit. The exhibition of this year's art will begin with an afternoon reception June 11, 2000 2 to 5 p.m. Open to the public and will run through September 3, 2000.

The Tribal Member Art Exhibit consists of an open ended array of art created by Warm Springs tribal members 18 years old and over. All entries will compete for two awards. Judge's Choice a prestigious award given to the most outstanding art submitted as selected by the judge. The Honorable Mention Awards go to the judge's selection of outstanding work. The art submitted to the exhibit that are for sale will have the opportunity to be selected as Timber-

line Purchase Awards. These purchases are made by Richard L. Kohnstamm to provide financial incentive to artists to develop and pursue their art work. They will be for resale in the Timberline Lodge gift shop. The awards will be presented to the artists at the opening reception.

Please take note, the reception date has been changed from June 3rd to June 11th and the reception will be in the afternoon unlike past evening receptions.

The Museum At Warm Springs, 2181 Hwy. 26 is open 362 days a year from 9 a.m. to 6 p.m. from Memorial Day through Labor Day. For information on tours, workshops or the Art Exhibit call (541) 553-3331 and ask for Erina Palmer and/or Jewell Minnick.

### On patrol

dog jail.

by Don Courtney, Lt. Stoney Miller & Sgt. Greg Stinson

#### On the Streets:

Over the last weeks, several dogs have been rounded up for being unattended and too aggressive. These animals have been taken into custody and are being lodged in the departments

Numerous speeding tickets have been issued over the past several weeks. The highest within the last week noted one driver being cited for doing about 96 MPH on US Highway 26 near mile marker 94.

No tail-lights resulted in a driver being arrested for drunk driving. Her passengers also found intoxicated were taken into protective custody.

#### Smith Graduates:

Congratulations to Sherri Smith who recently graduated from the Oregon Department of Public Safety Standards and Training - Communications Course.

The two-week course offered each recruit excellent training in enhancing their communications skills. According to Smith, the course was very tough.

#### Officers attend Ethics class:

The Jefferson County Firehall was host to a recent training session offered to police department staff. A total of 21 staff members attended an ethics class instructed by Sgt. Bruce Stecher of the Oregon State Police.

Future classes will be scheduled down the road for those who could not attend the two classes scheduled May 18 & 19. Thanks goes out to District Fire Chief, Earl Cordes for hosting this class; and Sgt. Bruce Stecher for our instruction.

#### Community Policing Report:

The last few weeks have been busy with work being done on pro-

gram planning and development, doing visits with community members, and other day-to-day activities.

The Honor Senior Day went real well, there were two intoxicated individuals who had to be removed from the area but no other problems. The bus unloading and loading went very smooth, with people going right into the registration tents. Everyone had a great time and enjoyed themselves.

We have been giving out information on crime prevention, securing homes with locks, window security and effective lighting for yards. There has also been a lot of seat safety promotion done, remember to use your seat belts, and make sure your passengers do to. The seat belt might seem like a pain to put with, but just think of the pain it can prevent.

Community Policing spent time with the 2nd Graders at HeHe this week on their annual Natural Resource Day outing. There were over three hundred students at this gathering. Everyone had fun, the weather was good though a bit chilly.

Plans have been finalized for a Citizen's Police Academy which will be starting on June 6, 2000. The classes will be held on Tuesday and Thursday evenings, from 6:00PM to 9:00PM over a period of 6 weeks. The classes will be held at I.H.S. Any interested persons may contact Lt. "Stoney" Miller, in the Community Policing office, 553-2283 for further information.

#### The Simnasho Office Report:

Greetings to you all. The Police Department's grand opening for the Simnasho office is set for Friday June 2, 2000 starting at 4:00 P.M. and going until 7:30 P.M. We will be having free hot dogs and hamburgers as well as beverages. Also provided will be some free t-shirts. I will be on hand to answer any questions that you may have. Also some of the Fish and Game officers will be present as well as Chief Don Courtney and Lt. Stoney Miller.

As mentioned in the last Spilyay, the Fish and Game Division has been

stepping up its enforcement efforts on the rivers and burn areas. On May 20, 2000, I was able to spend all day on the Deschutes River. A total of fifteen persons were contacted between Dry Creek and the Wasco/Jefferson County Line. All of these persons were non-Tribal members but they all had the proper permits.

As mentioned also in the last Spilyay the Warm Springs River and its Tributaries have been closed as per the Sherars Bridge Resolution, #9858. Some Tribal members have been contacted in response to the resolution that were found to be fishing on the river, primarily for trout. The time spent with those members was informing them on the resolution and issuing one time verbal warnings, due to alot of people still not knowing about the resolution.

Officer Larry "Bubba" Holliday along with Natural Resources Enforcement Officer, Lester Poitra, recently patrolled the Metolius Arm of Lake Billy Chinook.

This effort resulted in several contacts, with two persons being cited to appear in Tribal court for not having a fishing permit. Some fishing equipment relating to the violation was seized and the case is pending disposition in Tribal court.

More river and lake patrols are being scheduled as well as saturations of the wooded areas. We are hoping to have a high success rate with our combined efforts with the Department of Natural Resources.

Recently I assisted the Detectives from our department in a drug search warrant that was served. My part in the detail was that the detectives had found a dead calf and some fish in the back of a vehicle. The results led to one Tribal member being cited for two counts of livestock slaughter and one Hispanic individual being cited for theft of the livestock. The calf was found to have been shot in the Whiskey Dick/Scookum Creek area. One rifle was seized and the fish was released to the Tribal Members family, due to the fish being found to have been caught legally by Tribal

Members. Both persons are set to appear in Tribal court.

In Simnasho I have been taking alot of motor vehicle accident reports in the Schoolie Flat area, on Highway 3 between milepost 15 and Simnasho. The accidents primarily consist of vehicles versus livestock.

In some research that I had recently worked on, I had found that most of the accidents on the Reservation that relate to vehicles versus livestock occur on Schoolie Flat. Motorists are urged to keep to the speed limit which is 50 MPH, wear your seatbelts and keep an eye out for anything moving on the side of the road. The Schoolie Flat area is open range however I have been discussing with Ronnie Supph, one of the Simnasho Grazing District ride bosses, about improving the fence line throughout the area.

As a reminder, if you have any information for violations that have occurred or that is on going relating to Fish and Game or the Simnasho Community, there are some numbers that you can call. The Department of Natural Resources has a hunting and fishing information line, which is 553-2000. The Agency has a hot line number, which is 553-2202. My direct line into the Simnasho office is 553-2263. It has an answering machine, if I or one of the Fish and Game officer's are not present. You need not give your name if you wish.

Until the next Spilyay be safe and hope to see you at the grand opening!!

Sgt. Gregory A. Stinson, Simnasho/Fish and Game Enforcement

#### McGruff Speaks:

Hello, Congratulations to the Boys & Girls Club for it's opening of doors to the little people. Because of the location, we ask that you traveling motorists watch out for kids in the area of the Community Center.

I have noticed that for the most part, most drivers have been very courteous when children are waiting at a crosswalk. Thanks for stopping.

Thanks for buckling up and stay safe.

Warm Springs Healthy Nations invites the community to come to the final annual barbeque on Wednesday, June 7, 2000 from 11:30 a.m. to 1:30 p.m. in front of the Community Counseling Center Building  
Menu: Spare ribs, hamburgers, hotdogs, watermelon, chips, salad, pop, cake & icecream  
Volunteers always welcomed!
