Information and tips for Veterans

50th Anniversary Korean War

VA is encouraging all facilities to recognize Korean War veterans during the nation's commemoration of the 50th anniversary of the Korean War. That has already happened at the Salt Lake City, Utah, VA Regional Office where employees and visitors are greeted by a large lobby display of Korean War information and memorabilia. Regional Office employees developed the display and keep it updated with new information and additions offered by employees and veterans. The display includes actual Korean War posters and personal pictures and other memorabilia from local veterans. A Parade Magazine honoring Korean War Veterans was used as a source of information for the display, as well as the Korean War commemoration Web site at www.Korea50.army.mil. VA

REFLECTIONS

1. Never raise your hands to your kids. It leaves your groin unprotected.
2. I'm not into working out. My philosophy is no pain, no gain.
3. I'm in shape. Round is a shape.
4. I'm desperately trying to figure out why Kamikaze pilots wore helmets.
5. Do illiterate people get the full effect of 'alphabet soup'?
6. I've always wanted to be somebody, but I should have been more specific.
7. Ever notice when you blow in a dog's face he gets mad at you, but when you take him in a car he sticks his head out the window?
8. Ever notice that anyone going slower than you >> is an idiot, but anyone going faster is a maniac?
9. You have to stay in shape. My mother started walking five miles a day when she was 60. She's 97 now and we have no idea where she is.
10. I have six locks on my door, all in a row. When I go out, I lock every other one. I figure no matter how long somebody stands there picking the locks, they are always locking three of them.
11. One out of every three Americans is suffering from some form of mental illness. Think of two of your best friends. If they are OK, then it must be you.
12. They show you how detergents take out bloodstains. I think if you've got a T-shirt with bloodstains all over it, maybe your laundry isn't your biggest problem.
13. Ask people why they have deer heads on their walls and they tell you it's because they're such beautiful animals. I think my wife is beautiful, but I only have photographs of her on the wall.
14. A lady came up to me on the street, pointed at my suede jacket and said, "Don't you know a cow was murdered for that jacket?" I said "I didn't know there were any witnesses. Now I'll have to kill you too."
15. Future historians will be able to study at the Jimmy Carter Library, the Gerald Ford Library, the Ronald Reagan Library, and the Bill Clinton Adult Bookstore

Apology sent

To the editor,
I would like to apologize to those families who signed to get me out for a pass (Derek Tah-Sempt, Ella Jim, & Mary Danzuka). I have acted poorly on my decision of not coming back to jail or being at the Powwow like I was suppose to.

I am truly sorry for breaking

my trust with you all. I pray for forgiveness each time I pray.
"Creator, help me to do what is right. Give me strength to put the battle aside. I ask for forgiveness on all my wrongs. Help me to see the light."

I love you all.
