### Federal Pension Refund Deadline Approaching

Eligible federal retirees, surviving spouses and their beneficiaries have until **April 16, 2001** to request a refund on Oregon state income taxes paid from 1991 to 1997 on federal pension benefits. The refunds are distributed by the Oregon Department of Revenue.

According to the court-approved settlement reached in February 1999 between the state of Oregon and the federal retirees, failure to file a completed verification form with the department by the April 16 deadline will result in denial of refunds.

To be eligible for a refund, you must meet these requirements: part or all of the federal pension benefits were earned prior to October 1, 1991 and, the pension benefits were included in Oregon taxable income.

Those who believe they may be eligible and have not submitted a form, may obtain the form (40-F) from the department's Web site at: [www.dor.state.or.us/NewsR/FedRef.html](http://www.dor.state.or.us/NewsR/FedRef.html)

Forms also are available by calling the department toll-free number (only in Oregon) at 800-356-4222. Outside Oregon the number is 503-378-4988. For TTY (hearing or speech impaired only), the year-round toll-free number within Oregon is 1-800-886-7204. Outside Oregon the number is 503-945-8617. These numbers are answered by machine only and are not for voice use.

If you already filed a verification form, you don't need to do anything more. If you are expecting a refund check or checks for tax years 1991 through 1994, those checks will be distributed after July 1, 2001.

### Loan Program Planning Underway for Newly Eligible Veterans

On November 7<sup>th</sup>, the voters of Oregon showed their support for those who have served their country by voting for Ballot Measure 83 in overwhelming numbers. The Oregon Department of Veterans' Affairs is now making the necessary program changes to accommodate those newly eligible veterans who may wish to utilize the Department's Veterans' Home Loan Program.

The recently passed ballot measure removed the requirement that in order to be eligible, a veteran must have entered active duty prior to December 31, 1976. A veteran must still have the required minimum of 210 days of active duty (unless re-

leased earlier because of a service-connected injury or illness), have served honorably, and be a resident of Oregon at the time of application for a home loan.

Ballot Measure 83 also created an alternative method of gaining eligibility. Veterans whose service was in a theater of operations for which a campaign or expeditionary medal was authorized by the United States are also now eligible. All loan applications must be made within 30 years of the date of the veteran's discharge or separation.

The first objective is to identify and evaluate sources of funding. Then, depending on the funding source, the Department may need to seek changes in current law from the Oregon Legislature. Once the specific sources of funding are identified, and any necessary legislation passed, the Department will work swiftly to make funds available for newly eligible veterans.

When those objectives have been met, our experienced loan personnel will be ready to serve this newly eligible group of veterans with the same level of dedication and professionalism that we have provided for more than fifty years. Of course, all loans will continue to be serviced by our own experienced staff, here, in Oregon.

Veterans who believe they are newly eligible and who wish to receive further information as the program is developed should contact the Department at 1-888-673-8387 (Oregon only) or at (503) 373-2070. If contacting us by email at [orvetshomeloans@odva.state.or.us](mailto:orvetshomeloans@odva.state.or.us), please include your name in the Subject line.

### Veterans' Benefits and Job Forum

Representatives from federal and state agencies will join together to provide information about veterans' entitlements and other veteran related interests.
