Language Update Senate Bill 690-Indian Language Teacher Certification

by Myra Shawaway
To the People of Warm Springs:

Another update from our hard working
Language Program and projects that have
been accomplished.

It is nearing the end of the school year
and we are very proud of the children and
their language development. It is a time to
celebrate the hard work that staff, WSE
teachers, and our students have accom-
plished with another year of language learn-
ing under their belt. Thirty minutes, five
days a week is not enough time to bring a
child or adult to a fluent level of speaking,
yet the learning that has occurred will be a
part of the child's life. So-o-o parents, we
encourage you to take the time to speak to
your child about what they've learned and

Tunedyoo'e
teach
