"At Les Schwab we've always been dedicated to providing the best products and services available to our customers. I believe the Z800 ULTRA is the best passenger tire in the world today. Try a set for 30 days. If you don't agree they're the best tires you've ever owned, return them, and we'll give your money back!"

"Every once in a while in the tire industry, a tire comes out we feel is far above the rest."

It began with our Z800 passenger car radial, and today we'd like to introduce our Open Country All Terrain for pickups and SUV's.

We're so excited about its quality and ruggedness, we're giving it our Money Back Guarantee. Try a set for 30 days. If you don't agree they're the best pickup and sport utility tires you've ever owned, return them.

We'll give your money back!
