On October 11, Homecoming activities will culminate with the Madras White Buffaloes hosting the LaSalle Falcons at 7 PM at Buffalo Stadium.

The season up to now has not been one to remember. No matter how the season finishes in the win/loss column. Homecoming is what is remembered most. From the former students who are now parents and those who are grandparents to current students. Follow White Buffalo football. The players who participate in the game, the parents who cheered their sons through the tough losses and

shared the fruit of a victory. Crowning of homecoming queen and king, the bonfire on Thursday evening, the parade through town, the underclassmen that try to beat the senior class during spirit week, listening to the band and eating at the barbecue before the game. All of these are what we remember most during Homecoming week. The activities for Homecoming

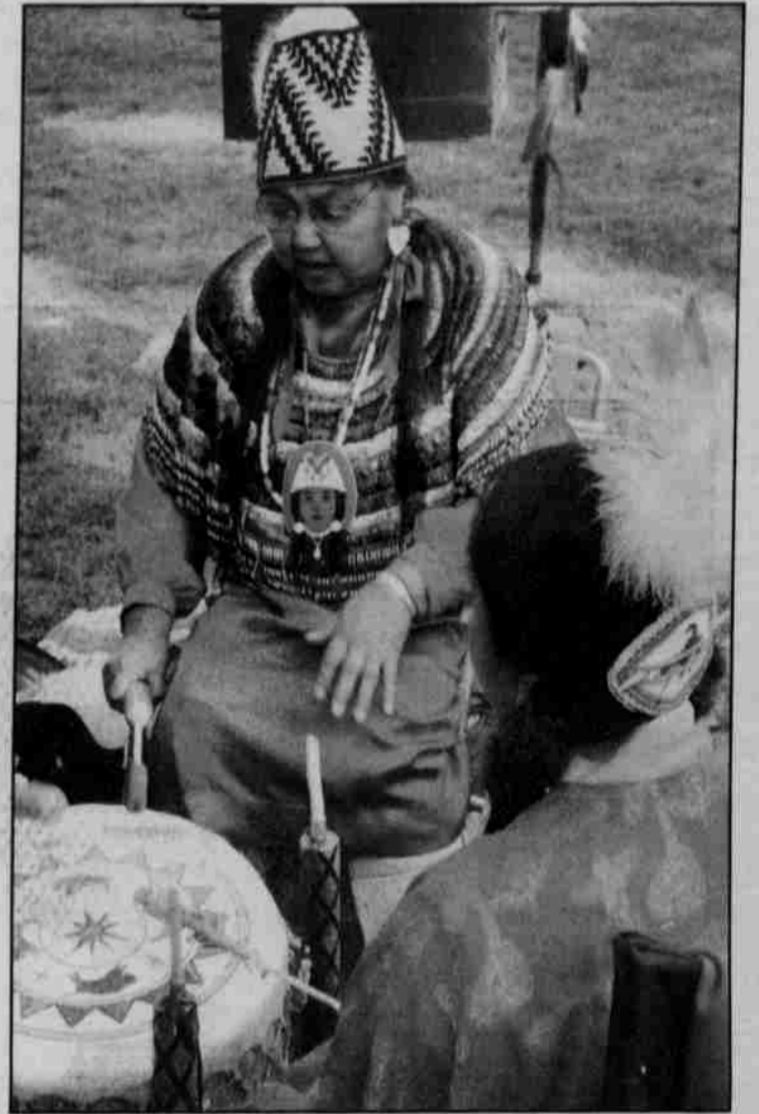

week are: on **Monday**, "Come as you are" day. **Tuesday** is "Era" day (50's-80) and a talent show in the MHS cafeteria starting at 7 PM. **Wednesday** is "Clash" day (i.e. plaids & stripes) Pep rally and bonfire at 7:45 in the Buff annex parking lot. **Thursday** is "School Colors" day. (Must have all three colors, no

gang attire) Assembly and Lip Sync at the football stadium from 1:40-3:25. **VARSITY FOOTBALL GAME** starting at 7:00PM Homecoming Dance-after game until 11:00pm Friday is no school for students! State inservice. Keep the tradition alive. Go to the game and support your Madras White Buffalo Football team.

Banks defeats Madras 26-7

Last Friday on September 28. The Madras White Buffalo Varsity football team traveled to COWPA league country. After showing some improvement on both sides of the football, Madras left Banks with a 26-7 loss. Heading home to get ready for the Tri-Valley league opener at the Dalles on October 5th in the Dalles at 7:00PM.
