It's just about that time of the year and the Warm Springs Indian Holiday Bowling Tournament is just around the corner.

Can you believe how time flies? This year we're going to be celebrating our 25<sup>th</sup> Anniversary.

We will have special prizes but the highlight of the tournament is in honoring the memory of Ray Shike Sr.

He was active and well known in the bowling communities.

His family will be sponsoring a special 55 & Over Sr. Masters event, where they will

be awarding the top winners \$200 and a Pendleton jacket. Being our 25<sup>th</sup> Anniversary

we have a one-time special to commemorate the Silver Anniversary.

For your first 200 game of the tournament, you will be awarded two Sacagawea Coins. Then for your 200 games, you will receive a ticket to go into a "pot" for a drawing of \$25 after each squad.

So... Let's all get out and bowl as many squads as you can.

Let's not forget our "Holiday Roll Off."

What is that you ask?

You sign up and pay a \$10 entry fee before you bowl your first team event. We take your scratch scores from the first team event and Doubles & Singles.

The top five scores in your division will roll off in a TV style format on Saturday.

*"Our 25<sup>th</sup> Anniversary should be one to remember. Hope to see you there!"*

## Girls soccer team makes it to playoffs

Saturday, November 3 at LaSalle High School, the Girls Madras High School Varsity soccer team had a chance to extend their season for another week.

The game at LaSalle was to see who would advance to the state soccer tournament.

When the season starts, every team has an opportunity, and a desire to reach the state playoffs.

This was no different for the Girls team, with some skill, lucks, and help from other teams; the girls made it to the district playoffs.

Although the final score did not indicate the heart and soul of the team, finishing the season in the playoffs shows that pre-season expectations can come to fruition.

Losing to the Falcons 0-4 was not what the girls wanted.

It gave hope to the juniors and lower classmen on the team that they can play with anyone in the district and a dream of advancing further next year when the 2002 playoffs begin.

## Elementary school holds awards assembly

Warm Springs Elementary held their monthly awards assembly in the morning on November 1.

Among the awards handed out were for the reading program, whose guess was closest or correct to the pieces in the jar for math.

The awards were handed to the students by the Madras Girls varsity Soccer coach Mike Osborne.

This assembly was special for another reason other than to honor the students that excelled for the month of October.

After the event that occurred on September 11, the

men and women of public safety came to the forefront and received national recognition for the work that they do every day.

Locally, representatives from Fire and Safety, Warm Springs Police Department, E.M.T's, and Fire management was honored by the students of Warm Springs Elementary. Construction paper Hats, lapel pins were made for the representatives who attended.

The Fourth grade class made a shield for each branch. The younger students sang songs, and the Warm Springs Fourth grade cheerleaders did their routines also.
