We have attended ECE and the early headstart program and participate in the mini pow-wow and other activities. We have picked huckleberries, dug roots, gone fishing, attended feasts and pow-wows with our parents and our grandparents. This year, we both participated in the children's root feast at Agency Longhouse. We went root digging at Webster Flat with our grandma Mary and our mom, Melissa. Our family had a special giveaway for our first roots, we gave our roots to grandma and grandpa, Wilfred and Geraldine Jim. Days pow-wow. Our mom, dad, grandmas and grandpas had a giveaway for us and grandma Geni and grandpa Wilfred danced with us our first official joining dance with others that were also joining the dance circle. We also participated in the Pi-Ume-Sha and Fourth of July parades. We are learning about our traditional ways with our families and we hope that you will vote for both of us to become official tribal members of the Confederated Tribes of Warm Springs. Pai-yu-Qwa-thuni, thank you for taking the time to learn more about us and thank you for all your support and votes. Good luck to all of the adoption candidates.

Colton B. Smith

I, Stanley R. Smith III, am a member of the Confederated Tribes of Warm Springs and the father of Colton B. Smith, who I am currently trying to get enrolled in our tribe. Colton has lived with me all his life and is learning the Native American way. I have lived in Warm Springs all my life. My family and friends all live here.

Colton has been spending a lot of time at his grandpa Bucks' ranch learning to feed and herd cattle. We are currently living in Madras while awaiting land in Warm Springs where we want to live. Colton really wants to enroll in the tribe of his father, grandfather and cousins. I ask for your approval and

your vote for my son's enrollment in our tribe. Thank you, Stanley R. Smith, III

Tre'Shawn Raven Stacona-Mejia

I am writing this letter in support of my oldest son Tre'Shawn Raven Stacona-Mejia in the upcoming adoption. He is 6 years old and residing in Madras with his natural father Ricardo Mejia. Tre'Shawn attends Madras Elementary.

I plan on getting a home loan so that I may get a bigger house so that he can live with me here on the reservation. Our family has always lived on the reservation and we plan on living here for the rest of our lives. The only reason that I could think of that I would leave is to further my education, but I would come back afterwards to seek employment.

I work at the Early Childhood Center and I am very happy to have a good stable job. I have been employed with the Confederated Tribes for three years. I worked at the Tribal Court for two years and transferred to ECE in July 2000.

Tre'Shawn is the oldest of my three children. And also the

only one who is not enrolled. I would like for him to be enrolled so that he has more opportunities in his life. Be it career, education, or any other advantages that he may have in his life by being a tribal member.

Tre'Shawn comes and stays with me on vacations and usually every weekend unless his father or myself had made other plans.

My mother is Debra Stacona and my father is Gerald Denny Jr. Both are tribal members. My maternal grandparents are Marcelene LeClaire and the late Curtis Stacona. And my paternal grandparents are Juanita Denny-Villa and Gerald Denny Sr. and Gary Villa Sr.

My great grandmother is Lena Santos, and my great great grandmother was the late Mable Eyle. All of whom are tribal members.

Thank you very much for taking the time to read my letter of support for my son Tre'Shawn Stacona-Mejia. Sincerely, Angelina M. Stacona Picard, natural mother.. (See group photo below.)
