

Jasmine and Frank Reese

Jasmyn Ann Reese

Three-year-old Jasmyn Ann Reese is the daughter of Frank Reese Jr., also known in the community as "Freckles." Her mother is Marlana Atencio, and she has an eight-month old brother, Cash Cody Reese of Madras.

Jasmyn is 1/8 Warm Springs, Wasco and Yakima. Her paternal grandmother is Elizabeth Ann Chase, known to many as "Libby."

Her descendants include the late Delilah Thomas-Heath who was 4/4 Wasco, Warm Springs and Yakima, she was her great-grandmother, her great-great-grandmother was the late Elizabeth Teias, her blood line consisted of 3/4 Wasco and 1/4 Warm Springs.

As Jasmyn is only three years old, she is enrolled in mid-Columbia Head Start in Madras.

She enjoys swimming, playing spring soccer, riding horses and her scooter. She also enjoys going roping with her dad.

Her family would like to see her enrolled with the Confederated Tribes of Warm Springs so that she may become more familiar with her Indian heritage.

Alyssa Jaden Brunoe

Hello Warm Springs Community, my name is Peter Brunoe and I am requesting your "Yes" vote in the upcoming Tribal Adoption for my daughter Alyssa Jaden Brunoe (age 3). She has numerous family members whom are tribal members and I would like her to be given the same recognition.

I have lived in Warm Springs the majority of my life and I have made a home here for my girls. At this time, Alyssa is enrolled in ECE and she will always be a part of this community where she will continue to receive education about her heritage and tribal traditions.

Your "Yes" vote will give my girl a tribal membership, which provides a concrete connection to her tribal heritage and will help her establish a stronger foundation in her community.

During the last Tribal Adoption, my two eldest daughters were adopted into the tribes.

I would like to ask for your vote and have my younger child be given the same recognition as her older sisters. Please vote "Yes" in the Tribal Adoption for Alyssa.

Thank you for your time and consideration, Peter Brunoe.

Jodell "Joey" Yazzie

My name is Jodell "Joey" Yazzie. I am three years old. I would like to become a tribal member because this is where my lineage began.

My great grandmother, Beatrice Scott helped me to learn the cultural/traditional way. She gave me my Indian name when I was two years old at the Agency Longhouse.

It was important to her that I learn the right way. I have experienced going out to dig roots, pick huckleberries and to perform dances at public places throughout Oregon and Washington. I also had the opportunity with Early Childhood Center to go to the longhouse for their pow-wows and their meals.

My heritage is very important to me. I have lived here in Warm
