

Madras girls take third place at Redmond holiday tournament

In the opening round of the Redmond Holiday Classic Tournament the Madras Girls Varsity team got a victory over the Canby Cougars who is a 4A school in the Pac-9 conference.

The Girls Varsity team took an 18-22 lead at the half, exchanging baskets late in the second quarter with the Lady Cougars. Due to poor weather and road conditions, only the second half of this game was observed.

Madras came into the second half with intense defensive pressure causing streaks two and three turnovers for Canby in the open court. Neither team scored in the first two minutes of the third quarter but freshman Jaylyn Suppah sparked a 10-2 Madras run in the third quarter when she was fouled in the post and scored the first point of the quarter with a free throw.

Even though Madras was plagued with poor foul shooting throughout this quarter, shooting 17 percent, they were still able to maintain a 32-20 lead at the end of the third quarter.

To start the fourth quarter Canby put on a little defensive pressure of their own causing two Madras turnovers.

Canby was unable to convert the turnovers and half way through the fourth quarter Madras had built their lead to 41-23 with four minutes remaining to play. Thirty seconds later all of Madras' starters got a rest as five players from the bench checked in to finish the game. In the final 3 and a half minutes the depth of the Madras bench outscored Canby 7-4 and exhibited solid defensive plays. The Madras team played aggressive defense but only committed one foul to Canby's ten in the second half.

Madras had three players in double digits: Nicole Main, 10, Tosha Wilson, 10, Jare Retherford, 12. Freshman Jaylyn Suppah contributed 8.

Lady Buffs then moved into the second round in the winners bracket where they faced the host team Redmond Panthers. The Panthers handed the Lady Buffs their second loss of the season in this game winning 61-52.

The game was a better game than the score demonstrates with numerous lead changes. The Panthers were able to get their largest lead at the end of the fourth quarter. The first quarter was very fast paced with the girls varsity scoring numerous transition baskets. Madras was down 11-6 with two minutes left in the first quarter

but went on a 6-1 run to tie Redmond 12-12 after one quarter of play.

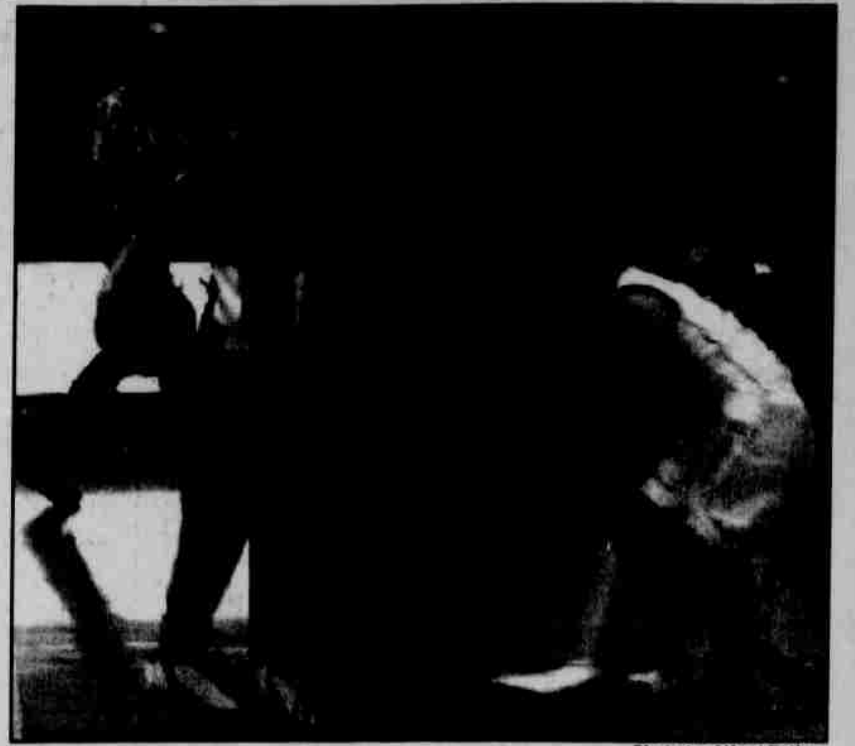

In the second quarter the largest Redmond lead was four points at the midway point.

After two quarters of play Redmond was up on the Lady Buffs 25-23. Madras regained the lead in the third quarter outscoring the Panthers by eight points. The Buffs scored six points in the final minute of the quarter and took the momentum entering the fourth quarter with a 44-38 lead. The game until this point was very aggressive with both teams in the bonus after the first minute of the fourth quarter. With four minutes left in the game Redmond had regained the lead from Madras 51-50.

Redmond then scored 10 points to Madras' two in the final four minutes and won the game 61-52. Final stats read that the fouls and free-throws hurt the Lady Buffs as Redmond scored 26 of their 61 points off of made free-throws.

Madras continued the tournament in the Consolation Championship game against the Ashland Lady Grizzlies, 4A High School out of the Southern Oregon Conference.

In a game similar to the pace of Redmond's the Lady Buffs were able

to defeat Ashland 55-54. Madras led the entire game but never got more than an eight point lead. After the first quarter of play Madras was leading 12-11.

After two quarters of play the Lady Buffs increased their one point lead to a four point lead that gave them a 23-19 lead at the half.

Tosha Wilson hit a 3-pointer at the buzzer to give the Lady Buffs a four point lead after the third quarter. Madras went on a small run at the beginning of the fourth quarter but Ashland kept answering their two point buckets with 3-point field goals and slowly got within one or two

points of overtaking the Lady Buffs. Ashland got one chance at the end of the fourth quarter when their junior post missed a 4-footer that would have given Ashland the lead with :08 left in the game.

Madras Junior Point Guard Tosha Wilson got the rebound and held onto it tight when she got fouled. Madras maintained possession for the rest of the game and won 55-54.

Tosha Wilson was named player of the game for the second time in the tournament.

After the game Nicole Main was named First Team All-Tournament for Madras.
