New Faces in These Places

Our newest face is that of **Jim Sanderville**, who is in fact not that new at all. Jim grew up in Warm Springs and is returning home to work as the **Media Specialist** in the Culture & Heritage Department.

Also recently joining the Culture & Heritage Department is **Tim Finch**. Tim was raised in Eugene but most recently lived in Colorado. He is joining the department as the **Computer Programmer**.

Come on down and say hello!

Tribal members don traditional dress

Enjoy this photograph of some long time friends of Warm Springs, including Anna Clements!
