## Wolfe well accomplished at school and sports activities

This has been a long time coming, but I want to make a very happy announcement that my granddaughter, 14-year-old, Kaylyn Lee Wolfe, has made the honor roll at Riverside Indian School in Anadarko, Oklahoma this year where she is a freshman. She

has a grade point average of 3.33 and improving. She was also on the volleyball, basketball, and presently, on the softball team, playing pitcher and third base, and takes part in the Indian Club. "We are so proud of Kaylyn. Congratulations!" *Beulah Tsumpti.*

The Madras Lady Buff's coach Mike Osborne held a basketball camp for girls in grades 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> at Madras High School on April 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup>. Approximately 15 girls came to learn what the Lady Buffs have successfully played since Mr. Osborne be-

came coach. The basics of shooting, driving to the basket and passing was taught. On Saturday they got to show what they learned by playing against each other.

After camp was held, it was decided that there would be tryouts to have two traveling teams that would compete in three tournaments in the Portland area at the end of April

and in May. There wasn't much response to this and only one team was established. They practice on Tuesday, Wednesday and Thursday. The first tournament is April 20<sup>th</sup> & 21<sup>st</sup>.
