

Root Feast rodeo action

The Warm Springs Rodeo Association went through a reorganization in all aspects from elected officers to added rodeo events.

The new events include kid's calf riding, junior barrel racing, the calf scramble and the wild colt race. The last Root Feast Rodeo was held approximately five years ago.

The next rodeo will be the Simnasho Rodeo held on May 18th followed by the Pi-Ume-Sha Rodeo.

These pictures were taken at the Root Feast Rodeo this past weekend.

Olney places second in state roll offs

In her first year bowling Kristi Olney places second at the state roll offs of the Coca Cola Bowling Tournament, April 27 in Salem, Oregon. Her overall score of 1334 won her a trophy and a certificate for \$110 in scholarship funds for age division.

Olney bowled at the Madras Bowl to qualify for the state roll offs. "She missed the state championship by eight pins," states her grandfather Delvis Heath, Sr. The champion of the state roll offs in her division will travel to Texas to bowl nationally.

Olney's grandmother, Shirley Heath, was proud of her granddaughter as she did

her best at this tournament. "I saw her bowl and get a split and thought that she needs at least one of these, but she picked it up!" says Heath. "I am so proud of her," she adds.

Olney has bowled only this year's bowling season and has taken to the sport exceptionally. She is also active in basketball, and softball.

Olney is in the fourth grade and attends Warm Springs Elementary. She is the daughter of Lucinda Heath, who is also very proud of her daughter.

Her grandfather is now committed to buying her a new bowling ball, "she has one all picked out," says Shirley Heath.

Kristi Olney, Junior Bowler

Board member vacancies to be filled

The Confederated Tribes have the following vacancies on boards of directors:

Warm Springs Composite board, two positions open, one tribal and one position either tribal or non-tribal member.
