## July 1 deadline for trust fund information

By Tribal Council Resolution No. 9738, adopted in August of 1999, two significant changes are made to the distribution of minor's trust fund. An important deadline to submit information is July 1.

The two significant changes are as follows: First, those tribal members who have not completed high school and/or have dropped out of school, and who have consistently held below a 2.00 GPA shall not have trust funds disbursed to them until they reach the age of 21, or until completion of at least one term of post-secondary education with academic performance meeting the passing standards of the institution.

Second, upon a finding by the Tribal Court that a minor tribal member is responsible for damages to private, tribal or governmental property which are uncollectible in full prior to their 21st birthday, the trust funds of such minor may be attached or ordered to be paid out of the trust funds to ensure full recovery of damages which are not covered by insurance policy.

Youth who have met the age requirement for the minor's trust fund need to provide information to "self-certify" having met the education require-

ment as described above. The self-certification procedure is as follows and is your responsibility:

High school must mail a sealed, notarized official school transcript indicating grade point average and completion, or: Post-secondary education institution must mail a sealed, notarized official transcript indicating grade point average and number of credits earned.

Must include a description of the passing standards of the institution.

The deadline is July 1 for the information to be received in the Education Department.

A GED or certificate of high school attendance does not meet education requirements as described in the resolution.

Information hand-delivered is not acceptable, it must come directly from the high school or institution. The high school or institution must mail the information to this address: Warm Springs Confederated Tribes, Essential Education Department, P.O. Box C, Warm Springs, OR 97761. The Tribal Court will review juvenile records by July 1 to determine if full recovery of damages applies and you will be notified if an attachment is ordered.

## Birthday, anniversary and other wishes

Happy 21<sup>st</sup> birthday. Two days old when you attended your first Pi-Ume-Sha powwow. Timothy Tyler Kalama,

Happy 25<sup>th</sup> Anniversary June 29, Dad and Mom, Robert and Marella Sam Sr. We all love you. Thank you for every thing. Tracy, Sadie, Elsie, Robert Jr., Neda, Jeleah and

Sharon Michelle Jones. "again" but we did not forget. Happy Birthday. Love you, proud of you. Marella Sam and Family.

### Wedding postponed

The wedding of Michael Kalama and Jennifer Tufti is postponed due to circumstances beyond their control.

# Kw'atapam (thank you)

for twenty-five years of work protecting the salmon of Warm Springs country and the Columbia basin.

A QUARTER CENTURY AGO, the Warm Springs, Umatilla, Yakama, and Nez Perce tribes came together with a common goal—protect the Columbia basin salmon and tribal treaty fishing rights. This union created the Columbia River Inter-Tribal Fish Commission. During those twenty-five years, the Commission has supported tribal efforts to put salmon back in the rivers and protect the watersheds where they live.

This vision and work was made possible through the guidance of tribal leaders from all four tribes. As part of our silver anniversary celebrations, we will honor all the Warm Springs commissioners who have served to further the goals and work of the Commission. We invite all past and present commissioners and their families to an honoring ceremony following the grand entry at Pi-Ume-Sha on June 29th.

Representatives who have served the Confederated Tribes of the Warm Springs Reservation of Oregon on the Columbia River Inter-Tribal Fish Commission
