Belated birthday to Grandma Neda Wesley. To Grandma Neda from Martina.

There are no words that express how much I truly care, all the things you go through and I'm not even there.

No matter what I do in my life, you always remain, I want smiles to replace your sorrow and pain.

I respect you more than respect myself, I put you before anyone else.

I couldn't imagine living without you around, you hold me up, without you I'd fall to the ground.

Who guides me when I need guidance? Who helps me when I have a problem with defiance?

And who talks to me when I feel alone? Withou you I can't call it home. Even if I never let my feelings show, I just thought I'd let you know.

Martina Marie Stwyer.

Moorehouse completes officer training

Warm Springs Police Officer Nancy Moorehouse recently completed her Oregon Police Officer Training, and is now a certified police officer for the state of Oregon.

Moorehouse says she had a lot of help and encouragement.

"I would like to thank the Confederate Tribes of Warm Springs for giving me the opportunity to get my certification in the Corrections Department, as well as my certification in Patrol for the Warm Springs Police Department during the past six years," said Moorehouse.

She said she would like to

thank the officers who had confidence in her to do the job, and inspired her to continue on against the odds and overcome the difficulties.

"I will forever be grateful to Lt. Aver 'Stoney' Miller, the late Lt. Talifson, officers Billie Jo Bagley, Marion Tias, and Sgt. Tim Souciel," said Moorehouse.

"Tim helped me to complete my police officers manual so that I could receive my Oregon Patrol Certification," she said.

For their help at the Police Academy, Moorehouse said she wanted to thank Lt. Scotty

Dye, Training Coordinator and long time friend Paul Peloquis and Lt. Daque, self defense and firearms.

"I would also like to thank the tribal judges and court clerks for their positive contributions in my career. As police officers, we are servants of the people, sworn to protect, in order to ensure the security and safety of all the community residents. We must always work within the law while maintaining a professional manner and a friendly demeanor."

She said, "It is my goal to be of service always to the very best of my ability. Many people of the Warm Springs community supported my efforts these years and have encouraged me during the tough times."

She added, "No matter where I am in my life, I shall always remember the well-chosen words of a few, and how encouraged I became to be the best that I can be. Thank you all."
