Center hosting grand opening

New library is also set for opening

The Family Resource Center has changed a great deal for the better over the past year.

To mark the progress, a grand opening ceremony is set for Wednesday, Aug. 21.

The event will also mark the opening of the newest addition to the Family Resource Center building, the Warm Springs Library.

The activities for the grand opening, including food and tours of the building, will be from 10 a.m. till 2 p.m. on Aug. 21.

The Family Resource Building was wholly remodeled last year, and the new facility has been very well received.

Besides the new library, the building now houses the following services:

The Community Health Education Team (CHET), Adult and Family Services

The center is for grand opening on Aug. 21

(AFS), Early Headstart.

Central Oregon Community College also has an office in the Family Resource Center building.

Everyone is welcome to come and enjoy the grand opening.

The Warm Springs Library has announced the following schedule:

Storytime at the library will be Mondays and Thursdays at 10:30 a.m.

Tween-time is Wednesdays at 3:30 p.m. Tween-time is "for those too old for storytime but not old enough for Teen Talk." Teen Talk will be on Fridays

at 4 p.m.

The month of September will be Library Card Sign-up Month. Library cards will be available at the library.

The Warm Springs Library offers many opportunities for people interested in volunteering their time, or for organizations wishing to support the library activities.

Volunteers are needed for reading the Storytime stories, and for staffing the library.

Anyone interested in helping the Warm Springs Library, contact Shawnele Shaw, library development assistant, at 553-3241.

Advice on preventing catastrophic fire

Suzi Macy

Fire Prevention Tech W.S. Fire Management

The past several weeks have brought hot weather and dry lightening. This has thrown us into a red flag situation here in Central Oregon.

I urge all homeowners to look around their property and make sure you have a defensible space around your home.

Here are some things you can do to reduce the threat of a wildfire from your home.

Reduce flammable vegetation, trees and combustible material around your home.

and weeds regularly.

Remove wood piles and debris from around your home.

Keep your roof and gutters free from leaves and debris.

Driveways need to be trimmed of all overhanging vegetation to allow emergency equipment to reach your home if need be.

If you have a shake roof,

consider replacing it with a more fire-resistant material.

ible from the road.

Keep an emergency checklist handy if evacuation is eminent. Monitor local media sources for up-to-date information and evacuation procedures. Remember to close all windows and doors, arrange

garden hoses so they can reach any area of your house, and pack your car for a quick departure.

If you have any questions regarding how to make your home more fire safe please call Fire Management at 553-1146 and speak with the Fire Prevention Tech. Enjoy the summer and please stay safe.

History of Smith Rock presented

The Oregon Parks and Recreation Department is hosting a weekly program series at Smith Rock State Park.

Called "Wednesdays at the Rock," the varied informal discussions and presentations are focused on the natural and cultural history of the Smith Rock arca.

The programs are targeted for all age and interest levels, and will feature guest presenters and experts from around Central Oregon.

Wednesdays at the Rock sessions will meet every Wednesday through September at the North Point Fire Memorial at Smith Rock State Park from 2-3 p.m.

Detailed information about individual presentations can be received by calling Smith Rock State Park at 548-7501, checking postings at the park.
