Three Warriors to mark milestone

beautiful downtown Simnashoh is about to mark a milestone.

The market will be crossing the impressive benchmark of \$2 million in sales since the store opened in January of 2000.

Store proprietor Captain Moody estimated that the landmark sale surpassing \$2 million will happen sometime during the middle of this month. He said the store would provide a gift bundle to the lucky customer who makes the \$2-millionmilestone purchase.

Not only is Three War-

riors Market doing well in sales, said Moody, but the market also is a steady provider of employment on the reservation.

This is business and economic development on the reservation at its best, he said. Open nearly four years now, Three Warriors serves as a community base Simnasho.

The store has the regular line of groceries, such as bread, milk, frozen dinners, and juices. The store also offers Chester fried chicken.

Out front, the market offers some of the cheapest gas

A thank you

Dear people,

For my family and the ones who traveled so far to be here at the Shaker Church for Barbara Bob's funeral, thanks for the prayers and good words. Jesse Jones asked me to talk at

the table. Sometimes it's hard to express your feelings. Well, Barbara used to take me swimming, plus she taught me how to dance. Sometimes she would wait for me to get out of school, give me change by the campus. She knew I like ice cream. I still remember the happy times. So maybe she had a temper, we all know someone like that. Then I lost my grandma - boy, that hurt, and I realize how it hurts to lose someone you care for, family and friends.

One day I was in a store, and a baby would smile and wave, so happy, in line. When I was outside I walked by the senior bus some elders smiled and waved. I waved back. I'm like 39. I think to myself I'm lucky to make it this far. I'm going to enjoy myself while I'm here. Nobody's the same. I lost a sister when she was small, I lost Grandpa Mac when I was just getting to know him. Friends, family members, it hurts. Just pray for them. Remember the happy times, like the baby with a full life waiting, and the elders who are lucky there are still smiling and waving. That made me happy to see them, and you know Barbara had a good long life. Maybe sometimes it was hard. Everyone has it tough sometimes. We just have to keep trying like Barbara. She kept praying, going to church in her

wheelchair. To the ones who made the long trip, Squiemphens Washington, and everyone's speakings and prayers, it was nice to see you

Apology

To Thelma Dickson,

I'm so sorry for what I did to you. I'm sorry for assaulting you Oct. 22, when I was intoxicated. I didn't want this to happen to you. I'm ashamed of myself for what I did to you. I'm sorry, honey.

Apology

I am writing this letter of apology to the whole reservation and specifically to Carolyn Owihee at the BIA. On October 9 I was upset at the BIA and IHS bureaucracy because one of my GED classes was in conflict with my IHS doctor's appointment. The BIA told me that I could not miss a GED class. They said I should reschedule my IHS doctor's appointment. However, the IHS told me that a rescheduled doctor's appointment would take me another two and a half months. I thought that the BIA caseworker would cut me off of my general assistance grant. I was really stressed out about this, and I started velling and cussing

at the BIA office at the Tribal Administration building, and this was specifically directed to Carolyn, who was not my caseworker. Carolyn was just trying to help me. I was cited for disorderly conduct, and I pled guilty to disorderly conduct at my arraignment. I have never been charged with disorderly conduct before, and I am sorry for any "hurt feelings" or discomfort caused by my outburst. I especially want to apologize to-Carolyn Owihee, I am sorry. Thank you. Very truly yours,

Tim Tumbaga

Language

Niix pachwai. I would like to thank Mrs. Rhoan for all her time in teaching me some of the Warm Springs language. I am most grategul for those six months. I remember her saying, "There's Ace, my faithful student." I was embarrassed at first but I was there to learn and learn I did. I hope my three children there in Springs also learn their language. Once again, thank you Mrs. Rhoan.

Speaking of children, there's got to be some other way to help our youth. During my incarceration, I've seen kids go in and out and back again only with longer sentences. Why? This is institutionalizing these kids. When I was there the food budget was \$800 to \$850 per week. I know because I used to order the food. There is not even any clothes for the inmates. All the money for corrections, most of it went to the patrol side. I was trustee for seven months. I knew what went on.

We should try to do things to help all the people, not just Paiute, Wasco or Warm Springs.

An apology

I would like to take this time to apologize to the community of Warm Springs for driving under the influence of alcohol on October 5, 2003. I am so sorry for my actions of putting others and myself in danger.
