

Course teaches sitter safety

Tonya Boise for the Spilyay

CPR was administered to the training dummies at the safe sitter training class held at ECE August 26.

The Early Childhood Education Center in collaboration with Workforce Development provided Safe Sitter Training to nine youth at the ECE Thursday, August 26.

The youth attended an eight-hour course taught by Eva Montee and Janet Bissell. The students were between the ages of 11 and 13.

The youth receiving training in this class were Rabe Clements, Mallory Smith, Ashland Danzuka, Sharnell Danzuka, Idelia Cloud, Chelsey Patt, Joanna Williams and Emerson Culps.

These trainees were taught safety for infants and children, such as what to do when an infant or child is choking; how to administer CPR, and various other first-aid practices for children. Each student received a di-

ploma and recognition at a small graduation held after the class ended.

This class was held so that these nine youth would be trained for babysitting. The ECE was closed for in-service because the school year is about to begin. Families in need of sitters would have these sitters that were trained and available.

Future classes in safe sitter training will be available in the future. Contact Jodi at ECE, 553-3240, for more information.
