I am working at this situation by publicly making this apology to you three and the community. Thank you for your time and thoughts on this matter. **Tammy M. Robinson.**

To the Warm Springs community, I would like to apologize for driving under the influence of alcohol on Feb. 28 in Warm Springs, endangering myself and everyone else. It was a wrong choice I made and I am sorry for doing so. Also I would like to apologize to the officer who stopped me and cited me with a DUII, for my behaviour toward him. It was my fault I made the choice I did. I would like to apologize to everyone. Thank you. **Renita Harvey.**

Here's my apology letter from jail. I was court ordered to write this apology letter to the Warm Springs people. I just want them to know that I'm sorry for breaking the law because it just makes us all look bad here on the reservation. **Edward Winishut.**

To the Warm Springs Reservation and especially to my two sons. I sincerely apologize for being intoxicated on Aug. 21 and putting my boys' in danger for my actions and behaviour which led to "child neglect" charges to myself and the worst to have my boys put in CPS custody.

Even though it was too late to realize the consequences, I shouldn't have had my boys in that type of environment in my condition. I am seriously paying and eagerly trying to comply with the court to regain custody of them. Sincerely, **Angela Thomas.**

I'm very sorry for my actions on the night of Aug. 7, 2004, for being in possession of drug paraphernalia. I do realize drugs are not the way. All I can say is, I can only do the best I can, one day at a time. I'm not perfect, I'm human and do make mistakes. Again, I'm sorry. **Teresa Suppah.**

I am writing this letter to all parties concerned. First off I would like to start apologizing to the officers on duty who responded. I am truly sorry for swearing at you all. My consumption of alcohol endangered all parties concerned, who were the officers, my aunt and uncle, and myself. I'm sorry and ask for forgiveness.

Thinking about the situation, I'm more thankful than upset, because you officers prevented the worst from happening; so one more, thank you.

To my aunt and uncle, I'm sorry for causing you stress and pain; you were just trying to keep me and others safe by keeping my keys from me, and keeping me at home safe.

I love you all and I'm very sorry for the problems I caused. It will never happen again. I realize my mistakes and my ac-

tions were uncalled for. I'm working on making it right.

I have set up appointments with Community Counseling to help me take care of my problems. I am also currently working for a company at tree thinning.

I am trying to do positive things in my life and accept the consequences of my past actions. I thank you for hearing me out. Sincerely, **Joseph Stevens.**
