TRAP

Our lesson is on Trapping. We will share a few things on different types of trapping.

Our ancestors trapped with natural resource tools for their shelter, clothing, bedding, pouches, foot wear and for many other needs.

Today we trap for only certain animals for ceremonial purposes and home things. Some protected prey is requested from Department of Natural Resources. If they have them in their possession.

snow
in a one horse open
sleigh over the fields we go laughing

making spirits bright, what fun it is
to laugh and sing a sleighing song
tonight.
O jingle bells, jingle bells, jingle all
the way
O what fun it is to ride in a one
horse open sleigh.
