Warm Springs Language Trailer

Classes are in full swing again with the holiday's over. The language teachers are at the ECE for language instruction with four ECE teachers who stepped up and said they would like to have language offered in their classroom: Nola Queahpama and Melinda Tohet have been very instrumental in seeing this get off the ground. Carol Sahme and Phyllis Strong have come on board and so it's wonderful to see our language / ECE teachers, interact with the children.

HERE ARE THE TIMES AND PLACES OF CLASSES:

Language	Type of Class	Instructor	Day	Time	Phone	Location

The best way to shake out some of those cobwebs is to come learn language, history, songs, and a variety of things at the language classes. We use it all to teach language. If you need more info, call the teachers at the numbers listed above. (Please note: the dance club requires completion of a membership form.)

Parents! Grandparents! Dancers!

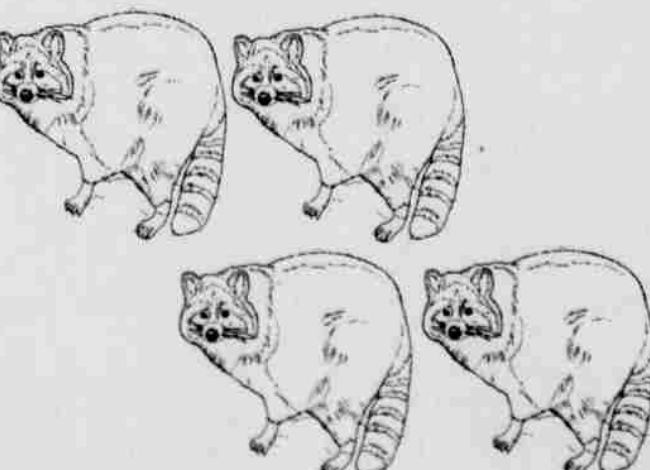

It's wonderful that you have given your child a gift that they will never forget. Dancing and singing the old social dances of our people were fading fast, but with the efforts of our elders they are coming back! Learn how to make a complete Wasq'u outfit with these gifted elders. They will teach you how to make:
