Group will discuss where at previous meetings.

Schedule subject to change for the unexpected. APRIL, MAY AND JUNE EVENTS TO BE SCHEDULED.

For more information: 553-3290 or 1543 The Culture & Heritage Department

A time has been set for our sharing of individual skills, whether it's traditional, comtemporary, or fun arts/crafts. This is your special invite to bring

your special art/craft and your best stories to share and have fun. Bring a new or current project you are working on. As a group we can decide on other special projects and fun things to do.

Christmas will be here before we know it and it would be extremely fun just for us to get together and share or learn new tricks of the trade.

WEDNESDAY EVENINGS FROM 5:30PM-9:00PM **BRING A FRIEND**

Where: the Education bldgs Cultural Learning Center (former print shop)

The best way to shake out some of those cobwebs is to come learn language, history, songs, and a variety of things at the language classes. We use it all to teach language. If you need more info, call the teachers at the numbers listed above. (Please note: the dance club requires completion of a membership

I's wonderful that you have given your child a gift that they will never forget. Dancing and singing the ald social dances of our people were fading fast, but with the efforts of our elders they are coming back! earn how to make a complete Wasq'u outfit with these gifted elders. They will teach you how to nake:
