## Letters of apology

A letter of apology to the court system, police department, to my brother and the community. I apologize for being intoxicated and disorderly in January. Also, I was caught with a pipe in my jacket pocket. Sorry. **Melvin Scott Sr.**

To the community of Warm Springs, there was a charge during the morning of November 21, 2004, against me that I plead guilty for. I now have to serve six days jail. I am sorry for my crime, and would like to let the community know that I will not commit this crime again. Sincerely, **Jess Stevens III.**

To the community of Warm Springs, I am writing this letter to apologize for my action, a DUI on the night of Feb. 18. I am sorry for endangering myself and if I endangered any other. I am sorry and regret my actions. **Stacy Winishut.**

I would like to apologize to the community, and especially my children, for the wrong decisions I made the night I was stopped for drinking and driving. I told myself I'm going to quit drinking for my kids' well-being and myself and the community. Once again I'm so sorry for my actions. **Madene Meanus.**

I was court-ordered to write an apology letter to the officers that I ran off the road while I was cruising around drunk on Quail Trail on the day of Jan. 5, 2005. **Jesse Wewa.**

To the Confederated Tribes, the tribal courts, my family, friends and people of Warm Springs. I'm writing this letter of apology for my actions on Feb. 21, 2005, because that was a very poor decision. I'm going to community counseling for A and D assessment to evaluation to help me to quit drinking because it just gets me into trouble. I would feel very bad if I would of seriously injured or killed someone. I'm so very sorry and I will not let this happen again. I hope that everyone will forgive me. **Edward Lucei.**

To the people concerned, on the 29<sup>th</sup> of November 2004, concerning the incident that happened, I wish to say that I have applied myself pertaining this issue and am adamantly pursuing to better myself during this time. Thank you. I'm sorry. **B. Katchia.**

To the people concerned, I wish to say that I am working on the betterment of my situation concerning the incident that happened on the 21<sup>st</sup> of October 2004. I hope this does not happen in the future. For this I do apologize. **B. Katchia.**

To the court and everyone else in the community, I apologize for my actions and putting others and myself into danger for my DUI. I will not do it again. So I am sorry and so ask if you can please forgive me. Thank you. **Eugene A. Greene III.**

To the HIS, specifically to Barbara Murray and Mary Justus for stealing their things, and I didn't intend to do it but I guess I was in a bad place in my life. But out of all this I'll pay you back and I'm asking if you can try to accept my apology for stealing things from the people that are here to help us with medical help. **Julia R. Wallulatum.**

To my mother and my children I apologize to you for my actions I've taken in November. I never want for anything to happen the way it did. I have all of you and will do my very best for it never to happen again. **Toni E. Tail.**

To whom it may concern, I was in the wrong by coming to chronic pain meeting under the influence of alcohol. I'm writing to let everyone know I've done wrong to the community and to the corrections with my actions. Please excuse me, I ask with all my heart. Thank you. I'm not a person who writes. May God be with you always. **Marris Sam.**

To the people of Warm Springs, sorry for my action. I will never do that again. I will do my best to be good. **Aaron Sanchez.**

To the community of Warm Springs, I am sorry for driving under the influence. I was on my way home, but I wasn't fast enough so once again I am sorry for having a few cold guys. **Romaine Miller Jr.**

To the community of Warm Springs and all members of our tribe, my current problem with alcohol has again jeopardized your safety. I have sincere apologetic feelings for the pattern I find myself in and have involved those around me. Sorry for the actions and choices I have made. When I find myself in jail for alcohol I am embarrassed and wonder why my use of alcohol is out of hand. Standing in front of the judge, listening to probation and prosecution, and talking to my employer shows me that people do care. They care for the community, people of the community, and me. Thank you. **Marjorie Kalama.**

On Feb. 7, 2005 I was charged with negligent wounding to another. And damaging a home. On March 21 I pled guilty to these charges. I ask that my apology is accepted for the damage that I caused. I will pay for the damages to the house through my trust fund. I'm not mad or hold any bad feelings toward the victims. I hope they hold no grudges against me. **Harold Charley.**

I would like to take this time to apologize for my actions on 1-1-05. As I sit here in jail I think of my mistakes in this life. I wonder why I chose this lifestyle? I wished for a lot more out of this life, but why did it take 18 years to realize I need to change? I have two babies that I haven't seen in a year and a half. I owe them the biggest apology of all. So from the bottom of my heart I'm sorry Karee and Desha. I plan on being back in your lives so please don't forget about Dad. I apologize to the people of Warm Springs and the police department. I'm sorry for my actions and dumb choices so please forgive me. I plan on going away to school to be a chef or heavy equipment operator. So if you see me on the streets don't bother me with drugs and alcohol because I don't need you as a friend. I need sober friends to encourage me to do better for myself so I can be a positive role model for my babies. I need your help and encouragement so if that's you, my PO Box is 533, or PO Box C until I get out of jail. Please get in contact with me. Once again I'm sorry and love and care for you all. I pray in Jesus name. **Wesley R. Smith**

I would like to apologize to the community of Warm Springs for my driving offense. I was stopped for Driving Under the Influence of Intoxicants. I was wrong to endanger the lives of other drivers and myself. Please accept my apology. Thank you, **Dorothy Yahtin.**

I would like to apologize for my wrongful actions and behavior that had taken place on Jan. 14, 2005. I know that what I had done was very

unacceptable, and it will never happen again. I hope you accept this apology. Forever more, **Annie Dee Howtopat.**

On March 19 I was arrested for DUI and contributing to the delinquency of a minor, and I apologize to the community and other drivers on the road and for contributing to the delinquency of a minor. Again, I'm sorry. **Cony Stwyer Sr.**

To the residents of Warm Springs and the Warm Springs community, I apologize for my actions on Feb. 26. I was very intoxicated and should not have been driving. I learned my lesson and it will never happen again. I am sorry. **Robert Givens.**

To my husband, friends, family and the Warm Springs community, I sincerely apologize to all of you for my bad judgment. And I know I had no business driving in the condition I was in. Again, sorry for my actions. **Winona George.**
