Young Achiever

Zane Hudson

Sponsored by Les Schwab

Zane Hudson is making some extraordinary accomplishments in math at Warm Springs Elementary School. The testing program MathFast presents students with 40 equations in different mathematical categories, and students try to answer the equations as quickly as possible. You have to score 100 percent to move on.

Two weeks ago Zane worked through all the category levels in the two-minute time frame. He then completed them in a minute and a half, and now is working on completing the program at the one-minute level. It's a great accomplishment, said Kevin

Rodin, school improvement specialist.

Besides math, Zane likes being part of the SMILE Club, and he likes PE and music.

"Zane is also kind to others," said Principal Dawn Smith. "That's on top of all his great academic accomplishments."

Congratulations, Zane, and keep up the great work!
