Young Achiever

George Boise

Sponsored by Les Schwab

George Boise just finished 16 weeks of basic training with the U.S. Army. His training was at Ft. Benning in Georgia. He is home until Dec. 21, when he will go to Hawaii for his first duty station. There is a good chance he will be sent to Iraq in 2006.

Basic training was hard, especially the first couple of weeks, said Boise. Bayonet training, for two hours in the heat of the afternoon, was the most difficult part, he said. Boise is a 2005

graduate of Madras High School. After serving four years in the Army, Boise plans to go to college. His parents are Selena Boise of the Spilyay Tymoo, and Tony Boise of Warm Springs Forest Products Industries.
