When it was, When the creator decided on all things, he pulled different things off of his body for the animals which were considered Indians then. And from this time on grew many things. Spilya said that nothing was given to the Berries. So the creator said well, all I have left is my eyes, so this was given to the Huckleberries. This is why the Huckleberries have eyes.

Wíwnu mímikni iwá áutni kushnáik'ainá sapáwíxa ku ka'wíxa.

Huckleberries are a sacred food from way back when they first started discovering our foods. This is why we have Feast first before going out to gather for our Winter use.
