## Apology

I am sorry I broke tribal law on March 18, 2006 by making a stupid and irresponsible decision, of course, the reason I'm writing this letter. I apologize to my commu-

nity for my actions that night. Having fun for a couple of hours can turn into something like this but acting like a fool only happens once in a while, so getting into this trouble is not going to happen again. Further I apologize to my family and

those who care for me and thought I would not get into this kind of trouble. Last I would also like to say this letter is the first and last. Do wrong once, that's it. Lesson learned. Sarah Stan.
